Overview

Turn key, fish ready! This 31' Cabo Sportfish is new to the market and should be looked at seriously by anybody in the market for a 30'-35' sportfish. Cranking hard is owner/captain maintained with all maintenance up to date. She has been fished very lightly. Mainly used for family weekends. This vessel is super clean inside and out with an immaculate engine room. It has a completely new enclosure in 2016. Generator was also overhauled in 2016 (mechanical and electrical). Please don't hesitate because considering her condition, new windlass and only 1400 hours on the 3116 CATs this vessel will not last!
