## Vessel Walk Through

---

With the smooth integration of lavish indoor spaces and the great outdoors, the remarkable new 45 Cantius offers a seamless flow that feels refreshingly unlike any other on-water lifestyle. With spacious entertaining areas, a full glass enclosure and unprecedented sightlines, the 45 expands your experience beyond the horizon.

The innovative 45 Cantius was designed specifically to eliminate the limitations found in the interior living spaces of most yachts. By capitalizing on every opportunity to replace walls with windows, the 45 invites in an abundance of natural light and fresh air throughout the upper salon and galley. And by opening up all the living spaces, everyone aboard can socialize and share in what will be some of the best times in life.

Below deck, the fun continues with a spacious and state-of-the-art entertainment center. Catch a movie or demonstrate your gaming skills on the large flatscreen TV. And when it's time to call it a day, take refuge in your own private retreat in the either of the lavishly appointed staterooms. Rejuvenate mind and body in plush berths and wake up ready for the promise and enchantment of every new day aboard your 45 Cantius.

Please see this link below for independent walk through by boattest.com:

---

## Upper Salon

---

The sun is the center of the universe, and the 45's captivating upper salon will be the center of yours. With large windows at every vantage point and an epic retractable sunroof, the salon and its double sofa are drenched in gorgeous sunlight and provides a steady stream of fresh air. The open-concept design provides easy access to the helm, galley and dinette seating, and the flow of conversation continues through the immense 114" opening created from the swing up stainless steel rear salon window and the large swinging stainless steel cabin door.

---

## Galley

---

The brilliantly integrated galley is separated from the cockpit by an island counter. Such open spaces allow everyone to participate in conversations and makes entertaining easy. The beautifully appointed galley also includes ample storage, with a two-burner electric stove, microwave/convection oven, refrigerator/freezer, sink with spray faucet, and a 32" flat screen TV & DVD player.

The 45 beckons like an invitation, and effortlessly welcomes all your friends and family aboard. Perfect for entertaining, the large built-in liquor cabinet keeps all your bottles accessible and secure.

---

## Helm

---

Just as revolutionary as the design of the 45 Cantius, its helm features advanced technology to keep you in complete control of your world. With every switch and button within easy reach. Such as fly-by-wire and Joystick IPS command of the twin Volvo Diesel engines. And a 40,000 BTU air conditioner/heater for all-season comfort. Plus, the helm is equipped with a double seat with fore-to-aft adjustment, and a stereo remote.

---

## Cockpit

---

The spacious and integrated cockpit features wrap-around seating that converts to a plush sun lounge with fore/aft bolsters. The cockpit also provides ample aft seating and two removable cockpit tables. Also standard is an ice chest on the starboard side with an ice maker beneath and a hot/cold cockpit shower. On the port side is a Keynon grill and refrigerator.

The 45 Cantius eschews canvas, and all the work that goes into it. Introducing our pioneering actuated sunshade system. With merely the push of a button, the fashion-forward shade automatically extends 6' from the hardtop to provide cover for the entire cockpit lounge area. It can be utilized while entertaining at the dock or cruising to your favorite spot, and virtually disappears back into the hardtop when not in use.

---

## Master Stateroom

---

Retire to the privacy of your own master suite in the forward stateroom. Featuring a comfortable queen berth, cedar-lined closets, an iPod port with remote, and the convenience of a well-appointed private head.

---

## Master Head

---

Nothing in the 45 Cantius was overlooked, and certainly not the ergonomic and materials amenities of the master head. Timeless tiling accents and euro-style fixtures adorn the bathroom. With 6'4" headroom in the shower, separate head and vanity.

---

## Midship Head

---

A separate, private head provides 6'4" headroom in the shower stall, a contemporary vanity comprised of solid-surface countertops, storage above and below.

---

## Washer and Dryer

---

A separate, private head provides 6'4" headroom in the shower stall, a contemporary vanity comprised of solid-surface countertops, storage above and below.

---

## Aft Stateroom

---

Guests will love the comfort of the aft stateroom, with a queen berth and separated from the entertainment area by a stylish privacy wall. The entertainment hideaway is designed for socializing and movie nights with a port side settee, side lounge seats with footrests that convert to an additional sleeper, an iPod port with remote, and a pivoting TV for viewing from virtually anywhere in the room.
