DETAILED INFORMATION

Overview

This 370 Cruiser has been lift kept for the last several years. This unique cabin layout is the best in its class. A “family room” salon arrangement features a crescent shape dinette and a full size sleeper sofa by flex steel. The salon seats 8 adults for entertaining. Real Cherrywood cabinetry throughout gives a very upscale feel. A full size berth is located forward with 2 large, cedar lined lockers and 2 large drawers. The head features a separate shower stall with Plexi doors and real ceramic tile on the head floor. This is a great layout for a couple or family. Above decks is a large cockpit with U-shaped aft lounge, wet bar with icemaker/refrigerator combo and raised helm area with seating for 2 couples. The walk-through windshield is a hallmark of all Cruisers Yachts and provides safe and easy access to the foredeck. Fuel efficient Yanmar diesels provide dependable power. Cruise 23 knots and average 16 gph! Make an appointment to see this one owner vessel.
