SPECIFICATIONS

Overview

"Realttime" is a meticulously maintained Carver 530 Voyager. She is built on a low-deadrise modified-V Hull with a deep forefoot and a shallow keel. "Realttime's" three stateroom cherrywood interior is arranged with a very accommodating salon, and galley. The pilot house has wrap around helm, with tilt-back swivel seat, direct bridge access and excellent visibility. The full beam owners cabin is amidships with a king berth as well as separate head and bathtub. Her twin 675HP Volvo Diesels will cruise "Realttime" in the low 20's and reach a top speed in the high 20's.

The owner of this vessel travels 11 months out of the year so he made a decision to find a new home for his boat. Recent maintenance items include, engine, thruster, and house batteries, full engine service, re-certification of the fire extinguishers, all lights checked and replaced if needed, calibration of throttle controls. The vessel was fully compounded and waxed as well as full interior detail.

Basic Information

Category: Motor Yacht

Sub Category: Pilothouse

Model Year: 2001

Year Built: 2001

Country: United States

Registration #: TX1903KA
