Description

“Quarter Moon” most notably is her graceful appearance and a surprisingly roomy interior. Descending down the companionway you will be welcome to a mid-cabin floor-plan with berths for six, a fully equipped galley, and a spacious salon with a large U-shaped dinette. Storage is generous for a boat this size, and privacy curtains separate the sleeping area from the main cabin. The cockpit, with seating for eight, is arranged with a triple-wide helm seat, aft-facing bench seating, a small entertainment center, and lounge seating at the transom. A transom door and cockpit bolsters were standard, and engine access is relatively easy. The rebuilt twin MerCruiser 454 engines, with only 120 hours since rebuilt, will cruise this boat 22 knots and reach a top speed of close to 35 knots

Broker Note

What makes this boat special are: beautifully maintained hull and decks, the rebuilt 545 engines, 5 kW generator, 12,000 BTU air conditioner, Radar arch, Stainless Steel BBQ Grill and a 8' dingy with a 3.5 horsepower outboard. Add the triple axles trailer and you have a vessel that moves, provides a roomy cockpit and interior and delivers the safety and fun that you desire from a craft like this.
