## Overview

---

Galeon 550 FLY is bound to turn heads in amazement with its dynamic features and a clever and luxurious interior setup. The coherent layout has allowed for an unprecedented amount of space on all three decks, while maintaining a classy and appealing presence. Outside, the spacious flybridge will surely be the center of attention with its massive sundeck, functional bar area and a dining table with seating for eight guests.

The aft cockpit and saloon are divided by retractable glass doors and share a wet bar area. The hull's low center of gravity combined with premium engine options guarantee commendable performance in any conditions while the optional extended hydraulic platform will handle all water paraphernalia. Choose between crew quarters for two or a sizable garage to keep your pontoon out of sight. Massive side and hull windows ensure that all cabins receive plenty of natural light and provide great visibility for the driver.

### MAIN EQUIPMENT:

- Engines Volvo Penta 2 x d13-800 shafts
- Trip computer
