## Overview

---

### 2007 32' Legacy Yachts "TRUE SOUTH"

*"True South is a proven, very reliable couples cruiser; she has traveled as far north as Maine and as far south as the Bahamas. The next owner will certainly benefit from all the continuous preventative maintenance True South has received over the years."*

*"The hull is designed by renowned naval architect Mark Ellis and features a very dependable Cummins 380 hp common rail diesel engine."*

*The hull is finished in Flag Blue, White boot top, and Green anti-fouling bottom paint. Notable features include a power retractable SureShade cockpit awning, Teak Swim Platform with Dinghy Davits, Soft bottom inflatable with Honda four stroke engine, Updated EZ2CY curved drop curtain, and Teak Cockpit*

*If you're in the market for a well appointed pocket yacht with go anywhere sea keeping abilities then True South is a must see.*

*Please view the full specs section for detailed information on this fine vessel.*

*Recent survey available*

---

**Hull Material:** Fiberglass

---

## Engine Information

---

**Engines:** 2

**Manufacturer:** Cummins

**Model:** QSB 380

**Engine Type:** Inboard

**Fuel Type:** Diesel

---

# DETAILED INFORMATION

---

## Accommodations

---

As you enter the cabin the galley is immediate to port, head with separate stall shower is to starboard and forward is a queen island berth with stowage lockers and shelving on both sides of the berth. The interior features Cherry Wood with a Teak and Holly Cabin Sole.

Three steps up to the bridge deck you will find height adjustable helm and companion seats as well as port and starboard settee seating for 6 adults. A short step down is the cockpit with teak decking, and aft seating. The Legacy 32 feature wide side decks making for safe maneuvering to the bow.

## Hull and Deck

---

Fully infused hull and deck. The hull form is a modified-vee with a smooth entry. The keel and wide chine flats keep her tracking in even the worst conditions. The port-lights, handrails and bow rail are all 316 Stainless Steel. The anchor windlass has controls on the foredeck as well as at the helm. The bow thruster in tandem with the keel gives her great precision and control around the docks.
