SPECIFICATIONS

Overview

Under a standard hardtop, the imposing bridge accommodates as many as numerous guests, with two side lounges and a full-beam settee aft. Positioned for maximum visibility, the forward helm includes helmsman and companion chairs. A standard light galley features a wet bar and sink. Two separate air conditioning zones on bridge totaling 32,000 BTU. Sheltered by an extended flybridge overhang, the large cockpit features a full bench-seat and convenient engine-room access is located in the cockpit sole. A telescoping three-piece sliding glass-door system, with polished stainless steel frame, opens to a 4-ft. main-cabin entrance.

NEW 2 yr warranty on the IPS Pods under the exchange program completed July 2017
