SPECIFICATIONS

Overview

Mr. Victor is one of the few 61's built with 16V2000 engines for incredible performance. Cruise speeds in the mid 30's and top speed in excess of 40 Kts. Her 3 cabin interior is highly customized with hardwood flooring throughout, custom leather and stone work and a new AV system that rivals a sound studio. She has enjoyed a full paint job from waterline up, installation of new teak decks, davit and chocks and a host of other great amenities in 2015
