## Overview

---

### Spacious And Comfortable Long Range MY

### Perfectly Suited For Full Time Cruising

This Monte Fino feels much larger than her 65' LOA. Her wide-body design takes full advantage of the 18' 4" beam, maximizing it throughout the interior of the vessel. Three levels of accommodations give her the living space of many 85' yachts. She boasts room to sleep eight in four private staterooms, each with attached heads and showers, plus a day head in the pilothouse.

Shirili has been cruising the Caribbean extensively for the past 2 years. Her knowledgeable owners have constantly upgraded her and have set her up to be self sufficient for months at a time.

She carries a generous amount of fuel, giving her an impressive range. Her robust electrical system, powerful solar array, and multiple inverters allow the yacht to be independent from her generators for weeks at a time in order to conserve fuel.

Shirili has been just been hauled out in May 2017 for hurricane season, and is ready for your inspection.

### Highlights Include:

- **Twin Caterpillar 3406B Diesels- 540HP each**
- **(2) Two 22KW Phasor Generators**
- **2,000 Gallons of Diesel- (1,500 nm Range)**
- **600 Gallons of Fresh Water**
- **NAIAD Stabilizers (serviced in 2015)**
- **Hydraulic Bow Thruster**
- **30GPH Cruise RO Watermaker (NEW 2015)**
- **Stainless Dinghy Davit -1,500 lb capacity - (Serviced 2016)**
- **Freedom Lift Tender lift on Transom (NEW 2015)**
- **1200W of Solar Panels with MPPT Controller**
- **13' Zodiac Yachtline Tender w/ 50HP Yamaha 4/stroke**
- **Massive Salon and Flybridge**
- **Underwater LED Lighting on Stern**
- **All LED Lighting Throughout The Vessel**
- **Much, Much, More. See The Full Specs for Complete Details**

## Walk Through

“Shirili” boasts a massive interior equal to many 80’ vessels. Her four staterooms are arranged in a split layout, with a private full beam aft master stateroom.

Entering through the heavy stainless steel and glass sliding doors from the aft cockpit, you enter the main salon. The main salon is open and expansive taking advantage of the entire 18’4” beam. To starboard is a private stairway down to the full beam master stateroom, private head, and large walk-in engine room below.

Moving forward in the main salon, there is a large table with seating for six to port, and a well equipped galley to starboard. Walking forward you enter the pilothouse. The pilothouse is home to electrical panels, energy monitors, full instrumentation, and a day head. The pilothouse also offers two additional stainless steel doors to port and starboard that lead to the fore-deck, and stairs leading down to three additional staterooms. There are also stairs providing access to the fly-bridge above. Walking down the curved stairway accesses the three forward staterooms, each with private heads and separate showers. Back in the pilothouse, ascending the stairs gains access to the massive fly-bridge. The fly-bridge offers plenty of shade and protection from the weather with a custom stainless shade enclosure. Under the enclosure there are two helm chairs and a U-shaped dinette with seating for eight. Walking aft there is a sun deck with a heavy duty stainless dinghy davit, dinghy storage, and room for plenty of deck chairs and chaise lounges for sunbathing or entertaining.

## Salon

The full beam salon is massive, with teak and holly flooring and plenty of opening windows. The large stainless framed glass doors open up wide, bringing the aft deck into the salon living space. With headroom of 6' 7" the main living area feels palatial. There is a large sectional sofa and coffee table to port, and an entertainment system to starboard.

- Teak and holly sole
- Vinyl cabin liner panels with recessed LED four stereo speakers
- L-shaped sectional sofa with accent pillows
- Custom coffee table

- Table lamps
- Overhead LED lighting
- Buffet, starboard forward, with shelved locker, wine cooler, and drawer
- Mirrored panels on starboard bulkhead
- Entertainment center with 48" TV (**NEW 2017**)
- Denon stereo receiver with speaker selectors for entire vessel
- Wine Cooler
- Screens to side windows and sliding doors
- Entertainment Center with Sony CD player

## Accomodations

There are four staterooms aboard "Shirili" with berths for eight guests. All four staterooms offer their own head and shower. The master stateroom is separate from the other three guest staterooms offering plenty of privacy to the owner.

### Aft Master Stateroom #1

Accessed via a stairway leading down from the salon, the private master stateroom takes advantage of the full 18' beam, and is very roomy. The master boasts a full king size bed, large private head and a equally large shower.

- Teak and Holly sole
- King-sized island berth with custom headboard and two storage drawers
- Six portholes
- Roman shades
- Vanity/desk
- Custom framed mirror
- Three mounted lamps
- Separate air conditioning control
- 26" TV w/ Direct TV

- Cedar Closets
- 10 drawers
- Attached head with large separate shower
- New Raritan Elegance Electric Head
- Washer and dryer located at entrance to master stateroom

**Forward VIP Stateroom #2:**

- Queen island berth w/ two drawers
- Air conditioning controls
- Built-in night table
- Hanging locker
- Attached head w/ separate shower
- New Raritan Elegance Electric Head

**Forward Starboard Guest Stateroom #3**

- Teak and Holly Flooring
- Upper and lower berth
- Hanging locker
- Three drawer nightstand
- Overhead speakers with volume control
- Private attached head w/ separate shower
- New Raritan Elegance Electric Head

**Forward Bow Crew Stateroom #4:**

- Teak and Holly Flooring
- Upper and lower over and under berths with mattress
- Air conditioning controls
- Hanging locker

- Private attached head
- New Raritan Elegance Electric Head
- 2 new Mattress's 2014

## Galley/ Dinette

The galley and dinette are on the same level as the main salon. The dinette is located in the forward section of the salon to port, and features a bar height rectangular table with seating for six. The galley is just opposite to the dinette through a doorway to starboard.

- Pocket door entrance into galley
- Teak and holly sole
- Corian counters
- Full size LG refrigerator/freezer, runs on Inverter, energy efficient **(NEW 2017!)**
- Siemens oven/ four burner stove top
- Whirlpool dishwasher **(NEW 2015!)**
- Painted overhead panels with recessed LED lighting
- General Electric Monogram trash compactor
- Double stainless steel sink
- Hot/cold faucet with sprayer hose **(NEW 2017!)**
- Two faucets provide filtered drinking water
- Whirlpool Gold microwave
- Air conditioning control panel

## Flybridge / Sun deck

Outdoor living at its best!

The flybridge/ sun deck is one of the largest I have seen on a 65' yacht, measuring approximately 35' x 16'. The forward half of the deck is covered and fully enclosed

with a custom Stamoid, Isinglass, and stainless enclosure. The covered section has a large varnished teak table with wrap around seating for eight.

The aft section is home to a stainless davit with plenty of room to store a tender and other assorted toys. While the dinghy is launched the area can be converted into a true sun deck with lounge seating, perfect for entertaining.

- Fly bridge helm area with deluxe helm seat
- Custom enclosed living area with NEW Isinglass (NEW 2017!)
- Covered wrap around seating area with large table
- Mini refrigerator
- 1500lb stainless dinghy davit crane
- Removable dinghy chocks
- Aft section of the upper deck is uncovered for sunbathing
- Removable triangle awning for aft deck
- Assortment of lounge furniture for sun deck
- Heavy stainless steel tube railing
- Teak decks completely re-caulked in 2016! No Leaks.
- Space for ditch bag and EPIRB

## **Forward and Aft Deck/ Equipment**

### **Aft Deck**

- Two electric docking/ anchoring winches
- Stainless ladder down to fiberglass swim platform
- LED Flood lighting
- Stainless ladder up to sun deck above
- Stainless sliding glass doors access main salon on same level
- Shore power Inlet
- Underwater LED lighting on transom
- Heavy stainless steel mooring cleats

- Removable passerelle gangway
- Teak decks in great condition
- 90lb Danforth stern anchor w/ rode

## Forward Deck

- Forward deck is accessed via the port and starboard pilothouse doors
- Marquipt folding boarding stairs can be mounted to port or starboard
- 24V Electric Windlass with foot switches (Rebuilt 2016)
- 80kg (175lb) Mantus Plow Anchor (NEW 2015!)
- 300' 7/16 high test chain for primary anchor (NEW 2015!)
- Shore power inlet
- Heavy stainless mooring cleats
- Freshwater washdown port w/ hose
- Bench seating with cushion and cover
- Two large storage lockers
- Synthetic teak decking

## Pilothouse

The pilothouse is the main nerve-center of the yacht. The helm area is fully equipped with electronics and is home to all of the electrical panels, energy monitors, bilge pump panels, and other assorted controls. The day head is a very nice feature, and keeps your guests from having to descend into the staterooms during the day.

- Stairway down to forward staterooms
- Stairway up to covered fly bridge
- L-shaped settee w/ table and storage beneath to starboard
- Air conditioner controls

- Controls for both generators
- Controls for all 7 automatic bilge pumps
- A/C and D/C Breaker panels
- High water alarm
- Automatic halon fire extinguisher controls
- See electronics sections for complete details
- Sealand holding tank monitor
- Private day head

## Electronics

### Upper Helm:

- Raymarine E-120 MFD
- Raymarine 48 NM Radar
- Robertson AP-22 Hydraulic Autopilot
- Furuno RD-30 Depth Sounder
- ICOM M-402 VHF
- Em-Trak B100 Class B AIS w/ stealth mode (**NEW 2015!**)
- American Bow Thruster Controls
- NAIAD Stabilizer Controls
- Windlass Controls
- Trim Tab Controls
- Spotlight Controls
- Analog Engine Guages
- Stereo system
- WIFI Antenna

## Lower Helm:

- Raymarine E-120 MFD
- Raymarine 48 NM Radar
- Robertson AP-22 Hydraulic Autopilot
- Furuno RD-30 Depth Sounder
- ICOM M-402 VHF
- American Bow Thruster Controls
- NAIAD Stabilizer Controls
- Windlass Controls
- Trim Tab Controls
- Spotlight Controls
- Danforth Compass
- Analog Engine Guages

## Electrical

This Monte Fino has been highly customized to be self sufficient without relying on the generators. She has a very robust 24V, 12V, and 220V electrical system. She has plenty of redundancy built in. Almost all her systems will run off of 24V, 12V or inverter power. If you want to run all of her air conditioners, simply start one of the gensets.

- (6) Marine Air A/C Units w/ separate thermostats **(2 units replaced 2014)**
- (1) 18,000 BTU Mini Split Air Conditioner for Salon **(NEW 2015!)**
- ALL LED Lighting Throughout Vessel **(NEW 2015!)**
- (4) 300W Solar Panels **(NEW 2015!)**
- Outback MPPT Solar Charge Controller **(NEW 2015!)**
- (6) 8D AGM Batteries for House Bank 735AH at 24V **(NEW 2015!)**
- (2) 8D Flooded Batteries for Main Engine Starting **(NEW 2015!)**

- (2) Group 31 AGM Batteries for Generator starting **(NEW 2015!)**
- Mastervolt 24V 4000W Inverter/ Charger **(NEW 2015!)**
- Dolphin 24V Battery Charger **(NEW 2015!)**
- Xantrex 1800W Sine wave Inverter **(NEW 2015!)**
- Sentry 12V 60A Battery Charger
- Mastervolt Battery Monitor and Inverter Controller **(NEW 2015!)**
- Mastervolt 24V-12V Converter **(NEW 2015!)**
- Transformers allow vessel to plug into American or Euro Power
- Shorepower Inlets on bow and stern

## Engine Room/ Mechanical

Skirili features a full beam walk-in engine room with over 6'4" headroom. There is plenty of room for tools, and spare parts. Engine access for maintenance is as good as it gets.

- (2) Two Caterpillar 2406B Diesels (4,200hrs, 4,600 hrs) w/ Complete Service Records
- Reported fuel burn rates: 7.5 knots- 10 GPH, 8.5 knots- 12 GPH, 10 knots- 15 GPH.
- NAIAD Hydraulic stabilizers w/ controls at both helm (serviced 2015)
- New engine room flooring 2015
- American bow thruster w/ controls at both helms, PTO off Starboard Engine
- (2) Two 21KW Phasor Generators (1150 hours on each)
- (6) Marine Air Split Air Conditioning Units
- (1) Innovair Mini Split 18,000 BTU Air Conditioner (very energy efficient and does not require cooling pump)
- 2 1/2" stainless shafts (serviced in 2015)
- Drip less Shaft seals w/ spares (NEW 2015!)

- (2) Three blade bronze propellers (Balanced 2015)
- Cutlass bearings replaced 2015
- 1500lb Hydraulic Dinghy Davit
- Freedom Lift Dinghy Davit for Transom (NEW 2016!)
- Automatic Halon Fire suppression system
- Exhaust blowers
- Oil Change System
- Racor Filters
- Work Bench w/ grinder wheel
- Massive inventory of spares
- Washer and dryer located at the entrance to the engine room

## Plumbing

- 600 Gallon of freshwater
- Gauges for all water tanks
- 38 Gallon Water Heater **(NEW 2015)**
- Cruise RO Watermaker 30GPH w/ Automatic Flushing **(NEW 2015!)**
- 220V freshwater pump
- 24V Freshwater pump (primary)
- Freshwater washdown on bow, stern, and flybridge
- Plumbed for saltwater washdown, pump not installed
- All heads converted from Galleymaid to Raritan Elegance models **(NEW 2016!)**

## Additional Equipment

- 13' Zodiac Yachtline 470 tender w/ removable tubes and a 50HP Yamaha.
- Freedom Lift tender lift on stern **(NEW 2015!)**

- KVH Tracvision M3 Satellite System
- WIFI Antenna
  
- 1500# Davit crane
  
- Removable tender chocks
- Assortment of Deck Furniture
- EPIRB

## Brokers Remarks

This Monte Fino feels much larger than her 65' LOA. Her wide-body design takes full advantage of the 18' 4" beam, maximizing it throughout the interior of the vessel. Three levels of accommodations give her the living space of many 85' yachts. She boasts room to sleep eight in four private staterooms, each with attached heads and showers, plus a day head in the pilothouse.

Shirili has been cruising the Caribbean extensively for the past 2 years. Her knowledgeable owners have constantly upgraded her and have set her up to be self sufficient for months at a time.

She carries a generous amount of fuel, giving her an impressive range. Her robust electrical system, powerful solar array, and multiple inverters allow the yacht to be independent from her generators for weeks at a time in order to conserve fuel.

Shirili has been just been hauled out in May 2017 for hurricane season, and is ready for your inspection.
