# DETAILED INFORMATION

## Manufacturer's Description

---

The 5800 Sovran is every inch a Tiara. With its wide-open upper level salon and well-planned tri-level floor plan, the 5800 opens possibilities for enjoyment and entertaining, both dockside or during extended cruising. The advanced helm station and versatile companion seating make everyone feel pampered while underway. For even greater spaciousness, the aft wall of glass "evaporates" to create a wide-open space that flows freely to the transom and the enormous swim platform. This salon-helm area can also open up to sunlight and fresh air, thanks to a large retractable sunroof and opening side glass. The well-appointed galley is located in the center of the tri-level floor plan for convenient access from the salon or the dinette below. The forward stateroom features a queen-size berth and abundant storage, while the full-beam master stateroom adds hullside windows for natural light, as well as many other amenities.
