Cabo did not skimp anywhere when building this boat. Come see for yourself the 95 sq ft. cockpit with two oversized fish boxes and transom livewell, cockpit controls ready to back down on your favorite

catch. A few steps up the command deck is fresh with cold AC and new indoor outdoor carpet and plenty of shaded seating all with a view through a new enclosure. With several updates she is ready to go this summer for the day or for the month. A must see compared to anything in her class!
