DETAILED INFORMATION

Upper Salon

- Nearly everything in this space has been either refurbished or replaced in 2016.
- Extremely spacious with seating for you and 4-5 guests.
- Tons of natural light flood the space with huge windows all around.
- New carpet 2016
- 2 new white leather sofas paired with 2 new rattan chairs to starboard and teak coffee table.
- Wet bar forward with Danby fridge and storage below and above.
- Walls are lined with beautiful teak and zebra wood.
- Intercom system throughout that reaches each individual room.
- Fully enclosed with air conditioning and reverse cycle heat.
- Flybridge, galley and both side decks are easily accessible from the aft deck.
- Spacious cockpit and tender are also accessed from the aft deck.
- Ceiling mounted Bose speakers with individual control for each room.

Galley

- Very spacious U-shaped galley with beautiful granite countertops and teak and holly sole.
- Full size fridge resurfaced in 2016.
- New GE microwave replaced in 2016.
- 4 burner, glass GE cooktop with separate GE oven with overhead lights and vent.
- Garbage receptacle is built into the granite countertop.
- Ample storage space with beautiful teak cabinetry above and below.

Lower Salon

- Just forward of the galley is another spacious area featuring a huge L-shaped dinette with adjustable high-low teak table.
- Under the seats you will find additional storage space.
- The carpet is also new in this area, replaced in 2016.
- Ceiling mounted Bose speakers throughout.
- Chart storage built into the teak cabinetry forward of the dinette.
- To port is side deck access just forward of the galley.

Lower Helm

- Located to starboard in the main salon is the lower helm station.

Located to starboard in the main salon is the lower helm station.

- The lower helm features yet another side deck access door that allows for great visibility while docking.
- The lower helm features a 5212 Garmin chartplotter, Simrad AP20 autopilot, Furuno radar, Garmin GMI 10 and new ABT Trac stabilizer display.
- She also features an EchoPilot forward facing sonar.
- The Volvo gauges are located above with analog and digital displays as well as the Icom VHF and ACR spotlight control.
- She is also equipped with a hydraulic American bow thruster.
- The 480 Volvos are controlled with electronic throttles.
- Just below are the bilge pump indicators, wiper and light controls and tank tender.
- KVH Sat phone and Icom Single side band not in use but available for you to reactivate if desired.

VIP Stateroom

- The VIP is forward with a queen size island berth.
- There is no lack of natural light with 2 port holes and an overhead hatch.
- The carpet was replaced in 2016.
- There is one hanging locker and 2 additional storage cabinets aft.
- To port is a vanity area with a swing out chair and lots of storage space behind the mirror.
- There are additional storage drawers under the bed as well as storage cabinets along the side.
- The Bose speakers are mounted on the walls with an individual control as well as a Vizio flatscreen.
- There is accent lighting throughout that makes the VIP pop at night.
- The VIP also has an ensuite head with separate stall shower, teak and holly sole and granite countertops.

Guest Stateroom

- The guest stateroom is just aft of the VIP and down 4 steps.
- It features over/under bunks with 2 port holes and skylight above.
- There is a hanging locker forward and drawer storage below each berth.
- To starboard is your ensuite head with separate stall shower, granite countertops and teak and holly sole.
- There is accent lighting throughout and Bose speakers mounted overhead.
- The walk in engine room is accessed through the ensuite head.

Master Stateroom

- As you make your way into the full beam master stateroom from the lower salon you will find a nice linen closet to port and separate washer/dryer to starboard.
- There are 7 port holes that lend to lots of natural light in the master.
- She features a king sized island berth with night stands to each side and reading lights above.
- This stateroom also features some great accent lighting and beautiful teak carpentry throughout.
- To starboard is one of the 2 hanging lockers with the second located below the LG flatscreen that is centerline.
- On the port side is a beautiful teak vanity with a lid that raises to reveal the mirror with a light overhead.
- The storage space in the master is unbelievable with over 20 drawers!
- The LG flatscreen can be concealed with a nice teak cover that recesses when the TV is on.
- The Bose speakers are located on the outboard sides of the bed with an individual volume control for the room.
- The head is ensuite and features black, granite countertops, teak and holly sole and large separate stall shower. There is additional storage space behind the mirror.

Flybridge/ Upper Helm

- There is excellent visibility all around from the flybridge/upper helm.
- She has a brand new bimini top and new isinglass on the port and starboard sides.
- There is tons of seating with an L shaped sofa to port and additional bench seat to starboard.
- The Stidd helm seat cushions were just replaced in 2016 (\$3500).
- The lighting has been updated and the carpet is in great condition.
- The 4 person life raft is located just aft of the bench seat on the starboard side.
- The fishing rod storage is located above mounted to the bimini frame.
- The upper helm features the same electronics package as the lower helm with the addition of the separate camera screen and Floscan digital gauges.
- The TV3 KVH is located on the upper deck and easily accessible.
- The arch is also hinged making Recovery Great Loop capable.

Foredeck

- Recovery had an extensive yard period in 2016 where her topsides and decks were painted with Awlgrip from the bow back to the wing doors.
- The lighting has been upgraded around the side decks and really makes the boat pop at night.

- She has a 2200 Maxwell windlass with shore power, phone and cable inlets forward and aft.
- The aft shore power chord is on a Glindenning reel.
- There are exterior sun screens all the way around to give additional privacy and keep the cabin cool during the hot summer days.

Cockpit

- The cockpit is very spacious and is covered in beautiful teak with an additional bimini top to shade the entire space.
- There are storage lockers outboard on both sides with tons of space for cleaning supplies etc.
- The stainless steel Magma grill is mounted on the gunwale to port.
- The Nautica tender is just steps down from the cockpit and is mounted on an electric davit system.
- The 4 stroke Honda outboard was rebuilt in 2016 and the covers were replaced as well.
- There is lazarette access with tons of additional storage and a backup 6 kW Fischer Panda generator.
- The Fischer Panda was fully serviced in 2017 including a new throttle governor bar, heat exchanger serviced, cooling plate replaced and oil and filter changed.
- There is a spare Fortress anchor in the lazarette with a Rocna main.
- The water heater is also located in the lazarette and was replaced in 2016.
- The nonskid surface on the swim platform was recently repainted.

Engine/ Mechanical

- Recovery is equipped twin Volvo 480 TAMD 74 EDCs.
- Shafts and props were machined and trued in 2016.
- All running gear painted with prop speed.
- New Alternators for port and Starboard \$1360.00
- New wiring harnesses with all new sensors for both engines in 2016. \$6000.00+.
- Heat exchangers and after coolers were removed and serviced on both engines in 2016.
- Zincs replaced on all engines in 2016.
- All Injectors replaced in 2017 on both engines \$4,700.00
- Other recent service also includes: new Racor filters (2 per engine), new air filters, fresh oil changes, new secondary fuel filters, multiple new hoses, and fuel polishing system.
- The Fireboy was certified in 2016.
- Cruisair AC condensers (4) are conveniently located forward of the engines with easy access. Manifold was recently descaled.

- The AGM batteries are located between the engines with additional house batteries to starboard.
- ABT TRAC stabilizers are also located in the engine room with easy access.
- Magnum Energy battery charger and Inverter with McCarron backup battery charger.
- 12 kW Norther Lights generator that was fully serviced less than 15 hours ago. Only 1219 hours.
- Engine room camera that is displayed at the flybridge helm station.
