SPECIFICATIONS

Overview

The Pursuit 3400 Express is the flagship of company's fleet. In this 3400, fishing prowess is equaled by pure luxury and cruising performance. Of course, that only adds to the fishability, enabling this boat to go farther faster and in greater comfort in pursuit of trophies. The modified deep-V entry and 12-foot, 9-inch beam give this boat a strong, fuel-efficient hull that delivers great stability, precise handling, and a soft, dry ride. Deck is designed for all-out fishing, another is optimized for cruising and entertaining. The fishing package contains large fish boxes in the transom and the floor, and bait and tackle drawer storage in the lower cockpit. The accommodations below are spacious and thoughtfully laid out. The generous salon sleeps four comfortably and the efficient galley features a sink, a stove, a microwave, and a refrigerator. The standard solid teak and holly floor create a warm, traditional look throughout.
