- Bennett Trim Tabs
- Yamahas have the Command Link Plus digital twin engine display panel, key switches, and start/stop panel
- High water alarm & Carbon Monoxide Alarm in cabin

---

## Remarks

---

Here is a great summer boat which is ready to go and only for sale due to her owners plan to relocate. Powered by a pair of the dependable 300hp Yamaha 4-strokes with less than 400 original hours. A diesel generator aboard offers the comfort of a helm deck reverse-cycle A/C unit and the surprising roomy interior has two separate sleeping areas plus a dinette that can convert for more berth if needed. Kept under cover this boat is in nice condition with canvas aboard to cover the cockpit and Yamaha motor covers. A full suite of Raymarine electronics in addition to all the standard features that Grady White packed into this well regarded model. Full services were done on the motors and generator less than a year ago. The boat has bottom paint and is has been kept in the water.

---

## Exclusions

---

Owner's personal belongings.
