DETAILED INFORMATION

Full Details

This is tomorrow's Pathfinder today. The first bay boat built specifically around Yamaha's F300 four-stroke technology, the 2300 HPS (High Performance Step) redefines top-end running performance in a true bay boat platform. A stepped hull and bustle transom with standard 6" jackplate optimize speed and running efficiency. Optional Powder coated T top, and leaning post with backrest. Add to that more cockpit and deck space, walk around gunwales and increased storage for everything from castnets to 9.5' fly rods. The result is a jaw-dropping rocket with a light-tackle payload capacity that will clear out your tackle room.
