SPECIFICATIONS

Overview

The incredible success and popularity of the MUMM 30 and FARR 45, led to the need for an in-between sized boat and hence the FARR 40 ONE DESIGN was conceived. Using the same tried and tested design parameters of a simple carbon fibre swept back spreader rig, no running backstays, non-overlapping jibs and high stability hull and keel.

The FARR 40 ONE DESIGN provides those seeking the excitement and performance of a high performance 40 footer in this strictly controlled ONE DESIGN CLASS. Also Competitive with the ORR, The FARR 40 ONE DESIGN has proven to be a highly versatile boat that can be competitively raced under several Handicapping systems.

The pure simplicity and high-performance characteristics make this a worldwide popular ONE DESIGN CLASS.

CAETUS is in good condition and ready for the starting line.
