## Vessel Information

---

Crafted by the Overmarine Group, the 72' Mangusta model has been the most popular open yacht in the Med. This great-looking model is perfect for sun and sea fun.

The 72' Mangusta production is marked by high performance, ongoing stylistic research, the use of top quality materials and interior design aimed at offering the highest levels of comfort. Together with engines up to 1500 hp and the use of surface propellers gives M3 an extremely sporty performance with a top speed of 40 knots.

Easy to maneuver, with its Arneson propulsion system and Bow and Stern thruster this yacht responds beautifully and can be managed with little crew.

M3 shows in great condition with 800 Original hours on her Engines and has been maintained impeccably and upgraded by a diligent Captain.
