SPECIFICATIONS

Overview

The Boston Whaler 305 Conquest boasts an impressive 58 square feet of cockpit space perfect for fish fighting or entertaining or both. The 305 Conquests hull design combines quick planing capabilities with a smooth, dry ride. Its helm deck area is elevated for superior visibility fore and aft, with a portside settee for lounging while leisurely watching the lines. The fully adjustable helm seat features a flip-up seat cushion that converts it to a bolster seat for operation while standing. The recessed bow walkaround provides more secure-feeling access to the anchor locker and bow area. The cabin interior is warm and inviting, thanks to rich accoutrements including cherry cabinetry, granite-colored countertops and decorator vinyls and accents

Vessel Walk-Through

One of the best-priced 305 Conquests on the market today, this boat is in excellent mechanical condition, having recent full engine service, as well as a recent bottom job (2017) and she's ready to go for her new owner.

The reliability of the well-maintained Verado 4-Stroke offers confidence when heading offshore for the bluewater and the excellent Gulf fishing that lies within.

The cockpit has ample storage in two large fish boxes, a large center hatch that provides access to the generator room as well as other mechanical systems. 7 flush-mounted rod holders surround the gunnel ready for the next fishing adventure.

Walking forward to the helm, under the substantial hard top, to port seating for three is supplied in a comfortable bench seat while the helm chair stands firm behind a well laid out dash with easy access to all electronics and navigation systems, including the owner-added autopilot, making the long runs offshore a breeze.

Forward and below, the cabin offers a V-berth as well as a functional aft cabin for the overnight trips, as well as a functional galley with an electric cooktop, microwave and refrigerator.

The side-decks with grab rail lead you to the foredeck where a sunpad awaits, as well as the ground tackle locker and electric windlass, which house a new anchor and new rode.
