Overview

The Sea Ray Sedan Bridge are some of the best boats the prolific builder has ever made. They are very popular for good reason as the layout is superb and boaters love them. The 48' may very well be the most popular and "Living The Dream II" is a fine example of a well maintained and well equipped 48'. She boasts a new 12KW Onan generator, new 42" Vizio flat screen with SAT TV, recovered salon upholstery, new bow cushion, hydraulic platform recently serviced, upgraded stereo speakers (JL Audio), spare props, recent bottom job and engine services with heat exchangers and a lot more. Also the hull looks brand new as it was painted with all grip from the rub rail down. The boat has the beautiful light maple wood interior with wood flooring in the galley and dinette and is stunning. "Living The Dream II" resides in her owners backyard and is constantly cared for by a knowledgeable owner. Only 1200 hours on the CAT 3196 TA's this 48 Sedan Bridge is a find for anyone considering a very nice pre-owned flybridge.

Basic Information

Category: Motor Yacht

Model Year: 2001

Year Built: 2000

Country: United States
