Fuel Capacity: 38 Gallons

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 1

Manufacturer: Yamaha

Model: SHO Max 4-Stroke

Engine Type: Outboard

Fuel Type: Gas

DETAILED INFORMATION

Accommodations, Furnishings and Layout

Action Craft is synonymous with custom built high quality rugged dry fishing craft. This late model has incorporated their latest QUI-DRY hull design. They incorporated a transitional chine at the bow water line allowing an increased angle for water to roll off the hull, rather than slap. A built in spray rail above the waterline and the modified running strakes on the bottom of the hull decrease the wetted surface of the vessel.
