SPECIFICATIONS

Overview

This standout original owner 45 Eastbay has been meticulously maintained and lift kept her entire life here on the Chesapeake Bay. She has low hour Cat engines that provide an effortless mid 20 knot cruise and features the desirable galley up arrangement with pass through to the cockpit, large salon with sunroof and a custom office/guest stateroom, 2 heads and master forward layout.

Awlgrippped in Claret Red with the brightwork all just being stripped and redone in Awlwood she is a standout that draws admiration everywhere she goes!

DETAILED INFORMATION

Manufacturer Provided Description

The 45 Eastbay SX is a full-featured Down East cruiser that complements assertive performance with stylish grace. Standard twin-500-hp will have you quickly nearing 30 knots, cruising atop a proven C.R. Hunt-designed hull that out-performs the imitators. Inside, accommodations are superior to any in her class, with a generous master stateroom that includes a private head with stall shower, and a guest stateroom that is equally spacious. The 45SX also brings some surprising new features to the Eastbay Series, from her seated helm to the optional sunroof, to an aft salon window that disappears at the touch of a button. And everywhere you turn: more light, more views, more ways to enjoy those prized moments when you're at sea on or on the hook.

Accommodations & Layout

"SanAmaro" was built to order for her current owner back in 2008. She features the preferred galley up layout with the master stateroom forward and an office/guest cabin to starboard. This layout provides two heads with the guest having an optional washer and dryer.

Deck & Construction

The owner of "SanAmaro" ordered this 45 in a white hull gelcoat from the factory with the intention of having it custom painted upon its arrival here on the Chesapeake.

Haven Harbour Marina which is a certified Grand Banks service facility put their best painter on the job and the result is a magnificent Awlgrip job done in striking Claret Red with a custom Gold boot and cove stripe. Destined to be lift kept the owner also had Haven Harbour prepare the bottom paint with a hard racing paint that was able to be burnished and sanded to a perfectly smooth finish. A custom electronics mast was made by MidShore Electronics in Cambridge and a full Garmin, FLIR and KVH package installed stateside as well.
