DETAILED INFORMATION

Manufacturer Description

The 250 SunCoast features a forward compartment with flush mount latches, an easy-access ladder and an anchor cradle. Because the deck tapers very little moving aft, the bow area is the widest and roomiest you'll ever find on a 25-footer. Don't look now but four adults and a child or two could sit in the bow with legroom to spare. Twin stainless steel drink holders per side, enormous storage areas and top-mounted rails highlight the family-sized bow area. A table with side-mounts in the bow and cockpit is standard.
