ХАРАКТЕРИСТИКИ

Обзор

Semper Fi, aptly named as this boat has been nothing but, always reliable for her owner. Tiara's 5800 Sovran is arguably one of the best-built hull's by the manufacturer to date, which easily paved the way to becoming one of Tiara's flagship yachts. Standards were high in the build process while designing the paramount of all cruising vessels in her class. Powered by triple Volvo IPS 600 engines, she cruises at 26 knots while only burning 44 gph accompanied with a 3' 6" draft this boat has the ability to go where her competitors can't. Docking and handling are made easy for the most novice of boaters with the joystick docking system that allows the boat to walk sideways and turn on its own axis. Accommodations are pleasantly appointed in two staterooms, each with an en-suite head/shower, a spacious cockpit and salon, full-sized galley, and a lower dinette with an entertainment center.

Semper Fi has been freshwater kept most of its existence based on the Mississippi River in St. Louis. This boat has been well maintained by a meticulous owner with an eye for detail. Don't miss your opportunity to own a high-pedigree boat at a fair price.

ПОДРОБНОЕ ОПИСАНИЕ

Walkthrough

Built-in fiberglass steps allow easy access from either side of the cockpit via the swim platform. The large cockpit features storage lockers on both sides of the sliding stainless steel and glass entry doors, one containing an ice maker and the other a refrigerator. The aft cockpit lounge with built in storage will set the blissful ambiance for al fresco dining. The swim platform, aft with a concealed davit stores a tender. Going forward thru the twin glass sliding doors is the salon, bright and airy with large side windows, with teak wood flooring. Starboard is an L-shaped sofa; 2 chairs are to port. Forward on the bulkhead, the large flat screen TV has an electric lift system that conceals the TV when not in use. Forward and up a few steps on the port side is the pilothouse with full controls and 2 helm chairs. The galley is forward on the port side and is open to the pilothouse providing plenty of natural light with a loft feel. Below the galley and to starboard is the U-shaped dinette and lower salon with large flat screen TV. The VIP stateroom and ensuite/day head are forward, the master stateroom is aft. The VIP features a full queen berth and plenty of storage. The master stateroom offers an ensuite head/shower, washer/dryer, and plenty of storage, as well as a settee and entertainment center.

Salon

- Stainless steel aft sliding doors w/ privacy curtain
- Blinds for port & starboard large salon windows
- Cove overhead lighting
- Starboard L-lounge w/ seating for five (5)
