Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Cummins

Model: 6C8.3TA

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Information

An extremely popular model for Tiara, the 3500 Express is a top-tier express with luxury-class accommodations and an oversized cockpit. She's heavily built on a modified-V hull with a solid fiberglass bottom, prop pockets, and a wide 13'9" beam. The interior is huge for a 35-footer thanks to her super-wide beam. The big lounge next to the cockpit steps can be converted into a private stateroom at night, and both sleeping areas have folding privacy doors instead of curtains. A removable pedestal seat allows the dinette to seat five, and a nighttime lighting system activates when you step on the top companionway step.

Salon

- Teak and Holly Sole
