2008 Custom-Built Fountain 34' Center Console

Manufacturer Provided Description

Blaze new trails on the water with this beautiful, tough, do-it-all center console. Based on a hull descended from boats that have won so many trophies, Reggie Fountain has to stack them out in the hall (this is true; visit the Fountain factory and see for yourself)!

This is the boat that will take you farther, faster...out beyond the struggling wannabe fleet. Out where the trophy fish are. And, equally important, blast you back to the dock in time for the weigh-in. How fast? Try 70+ mph if you need the speed. Throttle back to a mere 50mph (most of the competition can't even go that fast) and you have a range of 575 miles with an additional fuel option.

Measurements:

- LOA - 34'
- Beam - 9.6
