Overview

This 2012 Ocean Alexander 65' called Zenith, is the new and larger updated version of the popular OA 64' series. There were many equipment and interior layout changes made starting in 2012 in order to bring this model up to date to today's standard and needs. Example: - C18 Cat ACERT engines @1135 HP each, with CAT extended October, 2018 platinum warranty -A larger engine room in order to reposition the twin generators. - Larger Aft deck with fixed longboard table and seating. -Fly bridge U-shaped seating on SB side. -Fully air-conditioned Fly Bridge with 4-sided enclosure. -Fly bridge bar with granite counter on PS. -Ample space for 15' tender if needed. -Larger Master SR has large bay windows in hull sides. -Country Galley. -Latest electronics and AV systems. Zenith is in "pristine" condition at all times. Owner is very motivated because he found his larger MY. -ADDITIONAL PHOTOS TO COME SOON! .

DETAILED INFORMATION

Overview

This 2012 Ocean Alexander 65' called Zenith, is the new and larger updated version of the popular OA 64' series.

There were many equipment and interior layout changes made starting in 2012 in order to bring this model up to date to today's standard and needs. Example: - C18 Cat ACERT engines @1135 HP each with extended platinum warranty to October, 2018 -A larger engine room in order to reposition the twin generators. -Larger Aft deck with fixed longboard table and seating. -Fly bridge U-shaped seating on SB side. -Fully air-conditioned Fly Bridge with 4-sided enclosure. -Fly bridge bar with granite counter on PS. -Ample space for 15' tender if needed. -Larger Master SR has large bay windows in hull sides. -Country Galley. -Latest electronics and AV systems.

Key Features

Zenith is a 2012 65' Ocean Alexander, that is a larger and an updated version of the older, but popular 64' series. She has the new C-18 Acert series rated at 1135 HP each. Her 1000 hour engine service was done in January, 2018, in conjunction with the factory warranty overhaul of both motors due to a cooling system part failure. Rebuilds included new pistons, liners, heads, bearings, and cooling system service. There were less than 900 hours total time before the overhauls. She has an extended Caterpillar Platinum Warranty through October, 2018. Her larger master stateroom, salon, BF, salon, engine room and cockpit give her the extra needed space. Her new larger flybridge layout offers U-shaped seating on the starboard side with a granite covered bar across. The flybridge helm station is fully air conditioned with two STIDD chairs. Her master stateroom offers new large windows in her hull sides and extra large hanging lockers. She is extremely well maintained by her owner as you will see when you get on board.

- New bottom paint and Prop Speed 4/2017
- YACHT CONTROLLER
- Extended Fly Bridge
- 2-Stage Alexseal paint on hull, decks & superstructure
- Three (3) Staterooms with "Country Kitchen Galley" layout
- Twin Caterpillar C-18 Acert engines @ 1135 HP
- Flybridge air conditioning system 24,000 BTU
- Additional Kohler upgraded 23 KW generator with 530 Hours
- Proportional hydraulic bow and stern thruster control w/Cockpit controls
- Seagull water purifier
- Teak decks on the Aft Deck

- Teak swim platform
- Built-in fiberglass seat on Aft Deck with large leak varnished table
- Phantom Screen for Salon and Pilothouse doors (for insects and pollen protection)
- 24" Electric-Chef electric barbecue on Flybridge deck
- Wine cooler with solid panel door in Salon
- Granite/Marble floor in the heads
- Flybridge bar with sink, refrigerator / icemaker, grill & storage
- 24,000 BTU air-conditioned FB with 4-Sided EZ2CY enclosure. Center Helm panel has solid Glass windshield with intermittent wiper and washer.
- Flybridge canvas covers for seating
- Cockpit canvas covers for seating and table

Accommodations

- **Salon**
- **HD 48" Smart TV** (updated 4/17) with Sony DVD/CD audio stereo and video system surround sound system
- One Sub-woofer
- IR repeating for audio/video system
- 24V LED lights (Aerospace quality, specially tuned color for Ocean Alexander)
- Afromosia paneling and cabinets. Satin finish.
- L-shaped sofa with storage
- Two barrel swivel chairs.
- Hi-Low Teak salon table w/slide
- Wine Cooler
- Glass and Bottle storage
- New carpet and drapes 2013

- **Master Stateroom**
- **HD 40" Smart TV** NEW 4/17
- Sony DVD/CD audio stereo and video system
- Surround Sound system
- IR repeating for audio/video system
- One Sub-woofer
- Ultraleather upholstered headboard
- Two nightstands with counter-top and drawers.
- Storage under bed for roll-in luggage
- Bureau with chest of drawers
- Dressing mirror
- Safe in hanging locker

- Cedar-lined, full height hanging locker with auto lighting
- Fixed windows on hull side
- Vanity

- **Forward Guest Stateroom**

- LCD 22" TV New 4/17
- Sony DVD/CD audio stereo and video system
- Queen sized berth
- Storage under bed
- Dressing mirror
- AC Controls
- Stainless steel rectangular port lights w/screens
- Cedar-lined hanging lockers with automatic lighting
- One head with stall shower
- Chest of drawers
- Mirror headboard

- **Midship Guest Stateroom**

- Side-by-side berths w/ storage underneath
- Stainless steel rectangular port light w/screens
- Cedar-lined hanging locker
- AC Controls
- Full height hanging locker Cedar- lined

- **Heads**

- Aframosia walls and cabinets with double bull-nose Svevo granite counter-tops
- China sink
- Grohe faucets for sink and shower
- Stainless steel rectangular port light
- Mirrored sliding cabinet door under head port light
- Tecma fresh water toilet system
- Seamless fiberglass stall shower with one piece glass door (industry leading seamless one piece design provides long term protection against moisture, water intrusion behind the shower panels)
- Custom bathroom fixtures
- Svevo Granite/Marble in shower floor, shower seat and wall trim
- One medicine cabinet
- Svevo granite floor for both heads

- **Galley**

- Giallo Veneziano Fiorito granite counter-tops
- Fisher & Paykell drawer style dishwasher
- Afromosia panel and cabinetry
- Granite galley floor
- Storage cabinets and drawers
- Drawer type shelves in large galley cabinet
- Franke double sinks with pull out faucet
- Overhead dish locker with access on both sides
- 36" JennAir Custom Panel French Door Refrigerator
- 30" JennAir over-the-range microwave with speed cook convection oven
- 21 1/2" Kenyon electric cooktop
- Whirlpool garbage disposal
- Gaggenau 24" electric oven
- 110V outlets with GFI
- Whirlpool trash compactor
- Sunpentown wine cooler
- Giallo Veneziano Fiorito granite floor for galley

- **Interior Décor**

- Afromosia paneling and cabinetry. Satin finish.
- European door handles
- Stainless steel hardware
- Removable headliner on entire boat
- Push button handles for drawers and cupboards
- Roundtop corners cabin, entrance doors
- 28" bull-nose cabinet tops
- Chamois for lower walkway walls
- Maytag washer with separate dryer with generous 2.4 cu. ft. capacity
- Hanging lockers with dual locking mechanism
- Air extraction in each head shall be by low noise extraction fans, switched separately from light discharge air outside (vent blower)
- Tempered tinted window glass. Glass is Low-E glass which increases energy efficiency by stabilized for reduction of fading and degradation of yacht interior
- Phantom screen for SS sliding Salon door
- Cornice box for Salon, Pilothouse windows

- **Exterior**

- Fiberglass bow pulpit with stainless steel Windlass mounting plate anchor roller
- Hardtop with dual ventilation hatches. Fully enclosed with solid glass center window with window wiper

- Swing open door with fixed window, bridge to pilothouse
- Wet bar with sink and bar refrigerator / icemaker on Flybridge
- Seating on Flybridge with fiberglass table
- Gates in port and starboard railings
- Scuppers inside cockpit decks
- Teak bow and stern staffs
- Transom and cockpit side boarding doors
- Stainless steel door cockpit to salon
- Heavy duty corner cleats at both sides of Euro transom
- Three under water lights installed May 2017
- Three U-shaped removable rails on swim step
- Lighted OA logo
- Sunbrella Dupione Sand covers for exterior seating

- **Dinette**

- Country Galley has wood flooring
- L-shaped Wood dinette seating with storage in table base
- Windshield defrosters
- Weather tight pantograph doors to side decks w/screens
- Ultraleather Hide window mullion and console

Navigational Electronics

- Furuno MFD Black Box Processors
- Furuno 6KW 4ft Open Array Dual Ranging Radar
- Furuno Class B AIS Integrated into Radar and Chart Plotter
- Furuno Digital Sounder Transducer
- GARMIN GPS
- Two 17" AmbientNav LCD monitors in Flybridge
- Iris Marine Camera in Engine Room and Aft Deck, Extra Aft Deck camera installed on SB side May 2017
- ICOM IC-M604 VHF in Flybridge
- TracVision M5 satellite TV system
- Maretron DSM250 NMEA 2000 Display at Flybridge and Master Stateroom
- Redundant Maretron NMEA 2000 GPS, Depth Sounder and Weather Station
- Hatleand Navigation Computer Software
- UPS electrical protection for navigation computer
- Direct TV receiver with UPS
- Muir AA560 anchor chain counter and remote control
- All TV's upgraded and replaced May 2017

Electrical Systems

- **Battery**

- Heavy-duty batteries - House banks: 615 AH, Engine batteries: 235 AH, Genset batteries: 205 AH
- Battery paralleling system with control switch
- Service battery switch
- Engine battery isolation switches

- **AC/DC System**

- AC outlets throughout vessel
- AC/DC distribution panel with magnetic circuit breakers
- Electrical panel with back lighting
- GFI (110V) AC outlets

- **Charger**

- Service batteries charger
- Victron battery charger (engine: 24V/60A, service: 24V/60A, genset: 12V/30A)
- Dedicated battery charger for start bank

- **Bonding system**

- Bonding system with AC outlet throughout
- The vessel bonding and grounding systems includes copper straps secured to the full length of the vessel parallel to centerline. Engines, generators, metallic through hulls

- **Air Conditioning**

- Cruisair compressors for central air conditioner, 5 units, total 80K BTU with reverse cycle heat
- Flybridge air conditioning 24,000 BTU
- Refrigerant type is accepted worldwide under the Montreal Protocols

- **Shore Power Connector**

- Shore power receptacle 2x50 AMP in transom with 90ft cable master
- Glendinning cord reels (2)

- **Lighting**
 - 24V Lights in all bilge compartments
 - 24V ceiling lights, anti-explosion type in engine room
 - International navigation lights
 - 110V fluorescent lights or wiring only for 220V/50HZ system
-
- **Additional Electrical**
 - VOLT and AMP meters
 - Marine-grade tinned copper wiring
 - Vimar switches and outlets
 - Blue Seas digital multifunction meter
 - Ritchie compass 5"

Mechanical Systems

- **Main Engines**
 - Upgraded Twin Caterpillar **C18 Acert 1150HP** engines w/ extended cat platinum warranties to October 2018
 - One control station on Flybridge with complete engine instrumentation with lighted switches
 - Caterpillar LCD engine displays
 - Glendinning electronic engine controls
 - Engine alarm system (oil and temperature)
 - Delta T intake/exhaust fans
 - Wet exhaust including water temperature, oil pressure, hour meter and start/stop controls and remote start/stop controls in the Pilothouse
 - Underwater exhaust system
 - Stainless steel engine beds
 - Stainless steel rail on side of engine
 - Oil changing system for both engine and 2 gensets
-
- **Generator**
 - Twin Kohler 23KW (110V/60HZ or 220V/50HZ) generators w/**560 Hr.'s**
 - Generator exhausts to be water-drop by Marine Exhaust Co.
 - Generator set resiliently mounted and installed with sound shield
 - Generator with fuel/water and gas/water separator
-
- **Steering/Control**
 - Hydraulic steering system by Hynautic/Teleflex power steering system

- Stainless steel rudders
 - Bronze struts with cutlass bearing
 - High performance, computer designed and machined class propellers
 - Zincs on rudders, shafts and trim tabs
 - Stainless steel steering wheel on Flybridge, wood on inside
 - Three valves in steering system for autopilot
 - Two White Stidd mechanical helm seats on Fly bridge.
 - Dripless engine shaft seal logs and rudder posts replaced **May 2017**
 - Glendinning electronic controls on the Flybridge
 - Cockpit engine controls - Glendinning electronic controls with bow and stern thruster controls
-
- **Windlass/Anchoring**
 - Hydraulic windlass, Maxwell VWC3500C
 - Stainless steel plow type anchor 80lbs with 300' anchor chain (3/8 HT)
 - Muir AA560 anchor chain counter and remote control
 - Kahlenberg heavy duty single air horn
-
- **Thruster/Stabilizer**
 - Hydraulic Key Power bow thruster (25HP) and stern (15HP) at two stations.
 - Hydraulic Key Power stabilizer (6 sq ft x 2)
 - Proportional controls for thrusters w/hold mode at two stations
-
- **Additional Mechanical**
 - Nautical Structures HMC-1600EX 1600lbs. capacity electro-hydraulic fully articulated tender davit
 - Spare conduit running from engine room to Pilothouse, Engine room to Flybridge and Engine overhand (under)
 - Color-coded piping for fuel, water and hydraulic systems
 - Fire Boy Fire Extinguisher system with engine shutdown feature
 - Trim tabs
 - All Engine room and machinery space are primed and top coated with polyurethane paint
 - Herone rubber flooring in engine room
 - Pantograph windshield wipers and washers with intermittent function
 - Tank tender for four tanks
 - Detailed stringers in engine room and Lazarette
 - Power steering
 - Swing cockpit to Flybridge hatch with stainless steel frame with glass cover inserts

- 24" Electric-Chef barbecue on Flybridge deck
- Swing out 2nd fixed engine control station on Aft Deck

Plumbing Systems

- **Fresh Water System**

- Headhunter pressure fresh-water system
- 2mm thickness 316 stainless steel water tanks with sight gauges
- Fresh-water outlet with hose for engines and generator
- Fresh water wash down, forward deck and cockpit
- Sea Recovery 900G/Day water maker with auto fresh water flush water flush operation, Monitored in Pilothouse
- Neutralizer, UV sterilizer and commercial Pre-filter

- **Hot Water Heater**

- 40-gallon water heater with high density fiberglass insulation with high efficiency heating element

- **Fuel System**

- 4.5mm thickness 5052 Aluminum fuel tanks with sight gauges with high and low fuel level alarm system
- Dual Racor fuel/water separator with Y-valves for engine and generator

- **Holding Tank System**

- Holding tank plumbed dockside for overboard discharge
- Holding tank gauge in Pilothouse

- **Bilges and Bilge Discharge**

- Common drainage system for sink, shower, bilge and exterior deck
- Five electric bilge pumps, 24V auto and manual switch, sumped when available
- Two 24V shower sump pumps with easy access in lighted bilges
- High water bilge alarm with all bilge pumps

- **Deck/Flybridge**

- Dockside water connection
- 110V outlet on Fly Bridge

- Transom Hot-Cold shower
- Both side decks fillers for water and fuel tank

Hull, Deck and Construction

- **Overview**

- **Complete boat, hull and superstructure is painted with 2-stage Alexseal**

- Vinylester resin
- Reinforced collision bulkhead
- Stainless steel hardware
- 2" elliptical 316 stainless steel handrails and stanchions, main deck, 1 1/2" on Flybridge railings
- Stainless steel rectangular port lights and screens
- Stainless steel cleats and hawse holes
- Seacocks and raw water strainers on all intakes
- All exterior hardware to be steel 316 or better and to manufacturer requirements

- **Hull/Bottom**

- Hand-laid vacuum formed, painted fiberglass
- Solid fiberglass hull bottom
- White vinyl rub rail stainless steel insert
- Epoxy barrier coat system
- Bronze bonded through-hull fittings

- **Deck/Pilothouse**

- Chain locker in bow with hinged one or two access hatches and wash-down,
- Removable swimming ladder
- White non-skid fiberglass deck
- Port and starboard boarding gates
- Ventilation hatch forward trunk top
- Deck lights, 24V
- Fiberglass staircase from Aft Deck to Flybridge w/storage
- Teak swim platform with Euro transom
- Teak deck for Aft Deck
- Built-in fiberglass seat and storage in Cockpit with longboard teak table
- Hinged Radar mast

Exclusions

- **Exclusions**
- Tender and motor
- Owners personal items

Exclusions

Owner's personal belongings.
