**Total Cabins:** 1

**Total Heads:** 1

---

## Hull and Deck Information

---

**Hull Material:** Fiberglass

---

## Engine Information

---

**Engines:** 1

**Manufacturer:** Volkswagen

**Model:** 165 TDI

**Engine Type:** Inboard

**Fuel Type:** Diesel

---

# DETAILED INFORMATION

---

## Superdisplacement Hull

---

Greenline's patented Superdisplacement® hull shape generates less drag, less wake, creates the ability to use less fuel, generates lower CO2 emissions, and enables the use of (limited) electric power. This hull geometry produces less wake, offers better seaworthiness and easier handling than any comparable hull.

The reduced energy requirement means less running cost, less refueling stops and more time in your favorite anchorage or cruising archipelago.

The hulls are outstandingly efficient throughout their speed range, bringing unbeatable mileage and range of 700 nautical miles at a speed of 7 knots. This, combined with a top speed up to 14 knots, makes long day trips a breeze. The electric drive mode will not only allow for cruising in complete silence at speeds of up to 6 knots, but also offer a range of up to 20 nautical miles at 4 knots under electric power, before the diesel motor is required.

Besides being efficient, the Superdisplacement hull shows optimum performance in all sea conditions - an important factor in comfort and safety when underway. The Greenline manages any kind of sea situation with ease, needing only minute corrections at the wheel.

The twin fixed stabilisers are a further advantage of this hull, and have three functions: they deliver roll stability, tracking stability, and protect the drive and rudder. If the stabilisers get damaged, the structure of the boat will not be affected. The fins can be quickly and inexpensively replaced.

### Benefits

- comfortable, safe ride
- easy manoeuvring
- low running costs

## Galley

---

- Round Stainless Steel Sink with Cover
- Sharp Carousel Microwave
- Origo 2 Burner Stove Top
- Standard APT Size Refrigerator with Overhead Freezer

## Other Features

---
