# SPECIFICATIONS

---

## Overview

---

This Silverton 35 Convertible has been kept in a covered slip most of its life. A very comfortable boat to maneuver, cruise and host guests. The Silverton's "sidewalk" makes accessing the bridge a breeze when handling dock lines or enjoying an afternoon cruise. The twin Crusader 8.1L MPI inboard engines provide plenty of power and cruise at a 18 knots pace. Plenty of electronics and space on the bridge and all of the comforts of home in the salon.

## Basic Information

---

**Category:** Sport Fisherman

**Sub Category:** Convertible

**Model Year:** 2002

**Year Built:** 2002

### Outside Equipment/Extras

- Cockpit Shower - hot and cold
- Cockpit Table
- Cockpit Cushions
- Swimming Ladder

### Covers

- Bimini Top - Bridge top with full side panels

---

## Engine Notes

---

The V-drives allow for the engines to be positioned beneath cockpit to further increase the interior volume. It is no race horse but plenty of power to cruise at 22 mph and make your destination with time to spare. Twin FWC 425HP Crusaders with power steering. Very low hours on engines - less than 60 hrs.

---

## Interior

---

This Silverton 350 has a spacious fullbeam salon as a result of a design and introduction of the "Sidewalk" concept. It eliminates the side walks to go to and from the bow on the starboard side of the vessel. The result is "way more" cabin space. The Silver Fox features two reupholstered sofas, one of which is a hideaway bed for extra berthing. The Owner also had custom runner carpets made to specifically fit highly traveled areas of the main cabin. It features 2 cooling zones one in the forward cabin and the other in the main salon. A carbon monoxide detector is located in the forward V-Berth for added safety. The main salon and the galley contain plenty of attractive hardwoods in the form of cabinetry and flooring in the galley. Modern LED lights in the overhead. A comfortable interior.

---

## Galley

---

The Galley is fully equipped with:

- Goldstar Microwave
- Norcold Refrigerator 7.0 cu. ft.
- Princess Range
- Stainless Steel Sink
- Plenty of cabinet space

---

## Bridge Deck

---

Features a fully equipped Bridge and Helm Station.

- Raymarine E80 featuring Radar/Chart Plotter/GPS which is fully integrated.
- Raytheon Depth Sounder with sea temperature
- Raynav GPS RN 300
- Raytheon VHF Radio-Ray 220
- Jabsco Electronic Spotlight on bow remotely controlled on the Bridge
- Glendenning Synchronizer
- Sony Stereo with 4 speakers
- Richie Compass

- Electric windlass controlled on the bridge
- It also has courtesy lights throughout the bridge and down the molded steps to the fore deck and molded steps leading down to the aft cockpit
- Lights also illuminate the cockpit mounted on the Radar arch
- The Helm Seat is slightly elevated above the side seats for comfortable viewing of the entire fore deck and 360 observation
- The helm station is centrally positioned in the center of the bridge essentially creating an island surrounded very comfortable seating for your guests

---

## Head

A very spacious head with separate shower enclosure. Plenty of mirrors and storage for bathroom supplies and towel racks.

---

## Exclusions

Owner's personal belongings.

---
