SPECIFICATIONS

Overview

NYMPHAEA (meaning water lily in Latin) is a 1 984 displacement Broward accommodating 7 guests in 3 cabins (full width Master, VIP and Twin). She has been fully refitted in 2009 and constantly upgraded since then including hull paint (2012), new radar system (2014), rebuild main engines, new main fridge (2015), new generators, tender, carpets, curtains, sofas, cooking range and anti-fouling (2016). With very pleasing lines and exceptionally large indoor and outdoor social spaces for a yacht of her size, NYMPHAEA is particularly well suited for both cruising / chartering in the region and for entertaining on board. NYMPHAEA has all the licenses to operate as a charter yacht in Asia: A commercial registration under the Malaysian flag, A Singapore SZH charter license (for up to 50 pax for day charters) and A Thai Charter License for Thai waters.

As a commercially registered charter yacht, NYMPHAEA is also maintained to excellent operational and safety standards and is surveyed twice every year: once by Malaysia's MARDEP for flag, and once by RINA for Singapore's MPA. Finally, with her simple systems and low fuel consumption, she is a very economical yacht to operate, and her charter activities cover most of her annual operational costs. In short a compelling opportunity in in terms of enjoyment and financial good sense.
