Overview

In keeping with Contender's tradition of hard-core fishing boats, the 25 Bay offers all of the amenities you would expect in a larger bay boat, while incorporating some previously unseen features to accommodate the whole family, too. The large casting platforms – forward and aft – provide ample room for several fishermen without ever feeling crowded. The use of covering boards and bolster pads along the full length of the cockpit mean that you will never beat up your knees while fighting a fish from inside the boat. **INSTALLED OPTIONS:**
