Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: 3412E

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

The 61 Davis has always offered a superior cockpit and the "Indigo" is no exception!

Rolled teak coaming boards surround a large stainless steel transom fish box, walk through transom door and teak decks, port and starboard, in-deck fish boxes and under gunwale storage boxes. The forward bulkhead lockers house the freezer and tackle drawers, as well as the live bait well and there is access to the engine room.

Entering the main salon from the cockpit, there is a cream colored L-shaped sofa to port with hinged lifting seats for abundant storage. To starboard aft is the ship's electrical panel hidden by doors and a matching, cream colored, occasional chair. The salon has a beautiful Cherry stain on Mahogany wood. The wood blinds are color matched and the rolled valance contains lighting and serves as the A/C outlet. Multiple quartz lights are mounted in the headliner. A Bose entertainment system serves the salon and cockpit.

The galley is forward and has a GE Profile 4 burner stove top, full size Amana side-by-side refrigerator freezer, dual stainless steel sinks and a concealed Sharp Carousel microwave/convection oven. Galley storage is abundant and concealed through pull-out drawers and under-counter cabinets. Sand colored Corian counter tops accent the dark woods and light colored dinette cushions that are opposite the galley. The galley flooring is teak & holly.

Four steps down to the companionway and lower staterooms. To starboard is the guest stateroom which includes a single berth and pullman berth, night stand, drawer and locker storage, TV and stereo. Forward of the guest stateroom is the GE Spacemaker washer/dryer and access to the shared guest head.

The master stateroom is opposite to port and features a full sized walk-around queen berth athwartship. Wall sconces accent the Cherry Burl wall. Aft is a mirrored standup closet. The 13" flatscreen TV lowers from overhead and the Sony CD stereo is on the nightstand. There are additional hanging lockers and under bed drawer storage. The master head has a Corian sink and countertop, mirrored medicine cabinets, AC and vent grills, stall shower, vacu flush toilet, teak & holly sole, and an overhead hatch. A linen locker serves the head and companionway.

The VIP stateroom forward has a tapered queen berth, Sony TV/VCR, Sony stereo, ample storage underneath the bunk and hanging lockers outboard. A Bomar hatch lets in natural light. The guest head has a Corian sink and countertop and a stall shower. Access is from either the VIP stateroom or the companionway.

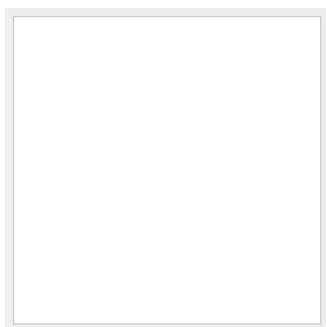

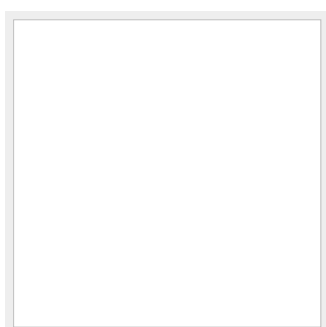

Exclusions

Owner's personal belongings.
