SPECIFICATIONS

Overview

METEOR is a classic motor yacht built in Svendborg in 1939. This vessel is very spacious and highly comfortable offering three double cabins. Almost a unique specimen, METEOR is considered a real rarity because in the first half of last century vessels with similar characteristics were the preserve of a very small elite. Even fewer that have withstood the scrutiny of time. This vessel has a very interesting history behind her, offering style, culture and heritage.
