## Overview

---

### MAIN SALON

- The heart and soul of the Eastbay 58 is her main salon. Entered through a sliding door from the cockpit or starboard door at the helm station, it is a warm, bright, and inviting comfortable room.
- A large L shaped settee is aft to starboard with a Hi- Lo folding leaf, teak table with maple inlay and compass rose.
- Storage is found beneath settees with gas shocks assisting the hinged seat and back for easier access. The design maximizes utilization of the storage area.
- Forward is a fixed end table with a granite top and three convenient drawers.
- Opposite to port is an entertainment center with remote control TV lift module and storage beneath.
- Upholstered barrel chairs flank this unit.
- Port aft is the yacht's electrical panel cleverly concealed behind faux book covered doors and all the way forward is a combination dinette/nav desk with two custom swivel stools.
- Forward to starboard is the lower helm station with Stidd helm chair, teak steering wheel and sliding access door to the side deck. The helm itself has been carefully designed to manage all nav, communication and operating functions from one location.
- Outboard of helm is a side door.
- Port of the helm is a breakfast bar/chart table with two stools with backs. The stools also offer a clever lock down system to secure them underway.
- Opening side windows, and window treatments all around make it a very livable space.

### GALLEY

- Several steps down from the main salon to port, opening inboard and U shaped, with Giallo Topazio granite counter tops and backsplash.
- Forward is the Scandvik double stainless sink, one bowl larger, with Grohe single lever faucet and Miele Touchmatic teak faced dishwasher inboard.
- Centered outboard is a 4 burner Miele 220v electric cook top, with pot holders, above a Miele convection oven.
- Aft and outboard is a 5.5 cu. ft. capacity top-loading freezer followed inboard by a Sharp convection microwave.
- Custom 2-door 13.9 cu. ft. refrigerator with adjustable slide out drawers and shelves with indoor thermometers, upper and lower, cooled by a Grunert 220v holding plate system.
- Miele dishwasher.

- Significant effort by the owner to maximize and customize storage during the build.
- Open above to the salon this is a bright and airy space with light from the outboard opening port and the forward windshield above.
- Well lit with plenty of natural light and ships lighting.

## ENTERTAINMENT

- 32" LCD Sony flat screen TV - main saloon
- 23" LCD flat screen TV - port guest stateroom
- 23" LCD flat screen TV - master stateroom
- Bose Lifestyle home theater & entertainment system w/5 Jewel cube speakers & subwoofer
- DirecTV HDTV deluxe receiver w/IR remote
- KVH Tracvision G4 Sat TV antenna

## MASTER STATEROOM & ENSUITE HEAD - FORWARD

- Center line queen size island berth with drawer storage beneath and gas assisted shocks enabling the aft of the berth to be lifted accessing additional storage beneath.
- The forward bulkhead is fabric padded and the berth is flanked by swivel arm reading lights and teak bookshelves.
- Hull ceilings are lined with varnished teak.
- A large double door cedar lined hanging locker with a built in safe and bureau forward is aft to starboard.
- An emergency escape ladder is also stored in this locker.
- Opposite to port is a bureau with flat screen television mounted above.
- The master head is a separate compartment entered port aft and the separate stall shower is located as you enter this stateroom to starboard.
- Additional overhead hatches were added for each of these compartments to provide extra light and ventilation.
- There is an additional shelved locker for clothes or storage.
- All flat surfaces are finished in Giallo Topazio granite, including the head and shower.

## GUEST STATEROOM - PORT

- Just forward of galley.,down the passageway fitted with two athwartship single berths each with drawer storage beneath and a cedar lined hanging locker between them.
- Opening ports and an overhead hatch for light and ventilation.

## GUEST STATEROOM - STARBOARD

- Opposite the galley and entered through sliding double pocket doors, opens to a

queen sized berth outboard with two large drawers beneath, nightstand inboard, and varnished teak hull ceiling outboard.

- A cedar lined hanging locker is forward and two opening ports for light and ventilation.

## GUEST HEAD

- Located opposite the port guest stateroom.
- Granite countertop
- Separate stall shower with an overhead hatch and opening port.

## FLYBRIDGE

- The flybridge is accessed by an elegant quarter turn staircase from forward port side of the cockpit.
- A large L-shaped settee with hi-lo teak table is to starboard upon entering this space and includes a wet bar to port with Scandvik stainless sink and Norcold DC refrigerator beneath.
- Forward is the helm ahead of 3 Stidd helmsman and passenger seats.
- The helm console has full instrumentation for both ship's operation and navigation.
- A teak rimmed stainless destroyer style wheel is centered in front of the console.
- Full enclosure affords weather protection, but also ventilation when desired through vents and roll up panels.

## COCKPIT

- Down 2 steps from the main salon or entered by the transom door from the swim platform, with a sole covered in laid teak.
- There are steps from each forward corner to the side decks and 4 hatches for access to the lazarette storage and bilges beneath.
- Forward to port, beneath the flybridge staircase is a doorway to the air-conditioned engine room.
- Forward to starboard is a built in electric grill with U-Line icemaker beneath.
- A hot and cold shower is fitted into the inside of the transom for use in the cockpit or on the swim platform.
