## Overview

---

MAVERICK is a classic, comfortable, and efficient 138' (42m) custom yacht. Built in 1988 by Sterling Yachts and refit in 2013, MAVERICK is a proven world cruiser. She has proved herself with two circumnavigations with her 3,500nm range. MAVERICK is equipped with the navigational systems expected on a Globe voyaging yacht having recently completed her latest circumnavigation. Machinery includes three Northern Lights generators, Atlas frequency converter and twin 8-cylinder MTU main engines. MAVERICK is a solidly built and comfortable yacht accommodating eight guests in four spacious en-suite staterooms, including a full beam owner's suite with foyer and office. MAVERICK features a well-thought-out general arrangement, allowing for complete privacy throughout the yacht. The timeless and classic interior design complements the efficiency of MAVERICK's exterior design. She has been meticulously maintained and improved by a long-term professional crew. MAVERICK is a must see for any buyer looking at tri-decks in this size range.
