DETAILED INFORMATION

OVERVIEW

This fantastic Cat Powered Hatteras offers a 4 stateroom 3 head layout making room for the largest of groups. She has been constantly upgraded and maintained with annual trips to the yard keeping her in top working order. You will find all the creature comforts of home from SAT tv, Ice makers, full galley with 6 Sub Zero's for all of your food and beverages. This boat has the headroom and beam only found on much larger vessels. Once you step aboard you will experience just what makes Miss Ori so special.

Salon

Miss Ori is showered in light thanks to the large windows and well over 6' of headroom. As you walk into the salon through the electric sliding door, you will be drawn in by the high gloss mahogany woodwork. The supple leathers on the oversized U-Shaped sofa and dinette are the perfect contrast to the beautiful woodwork. There are 2 SAT TV's, custom built in liquor and glass storage as well as an ice maker. The custom salon table is a high/low and can convert from coffee table height to the perfect place to eat or play cards.

Galley

The galley features dark slab granite countertops and book matched woodwork. There is more than enough room for the chef to whip up fantastic meals in the fully stocked galley. Hidden in the granite backsplash are 2 very large deep pullout drawers making the perfect pantry. With 6 Sub Zero refrigerated drawers you can take all of your favorite produce and frozen foods with you. The combination microwave convection oven and large electric stove top ensure you will be able to cook anything you desire. The cleanup will be a breeze with the oversized stainless steel sink and trash compactor.

Master Stateroom

Miss Ori offers a FULL beam master found midship that is fit for a king. You have a private entrance that walks you down to your hidden oasis that boasts a full-size king bed flanked by dual night stands. On both the port and starboard you will find oversized or as we like to call them Miss Ori sized port lights that allow the natural light to fill the room. There are 2 full sized hanging lockers and 2 sets of built-in dressers as well as plenty of storage under the bed. She also has a SAT tv and more storage in front of the bed for those days you just want to curl up and watch tv in bed. Just off

the master to the port you will find the master head with granite countertops, wood floors and a walk-in shower with seat. Complete with a full-size mirror these accommodations will rival those of larger motor yachts.

Port Stateroom

As you go below just to port you will find a substantially sized guest stateroom that features two berths with a mahogany wood nightstand between them. This stateroom has its own entertainment system with SAT tv and plenty of storage for all of your guest clothes for those extended trips. She has an ensuite head with hardwood floors, granite counters and walk-in shower. There is plenty of linen storage as well natural light thanks to the above head hatch.

Forward Stateroom

The forward stateroom offers a large 60/40 bunk with the ability to sleep 3. You will find custom wood work, built in storage, and yet another SAT tv and entertainment center. The ensuite head features granite countertops, wood floors and a walk in shower.

4th Stateroom

Miss Ori offers something special in the four stateroom layout. This stateroom makes the perfect space for crew, children and fishing buddies alike. The bunks are extremely long and can accommodate those well over 6' tall. You will find custom storage and lockers for all the essentials.

FLYBRIDGE

As you ascend the ladder to the bridge you will instantly notice just how big this boat is. You will find a large u shape seating area just in front of the helm big enough for all of your friends and family. The large drink box means there won't be any running up and down the ladder when you're thirsty and the newer enclosure will allow you to see all the action. The stereo has been completely upgraded to a top of the line JL audio and Fusion system. The helm has two beautiful teak Release helm chairs that offer a commanding view of the bow and stern. With the palm beach controls and bow thruster maneuvering is a snap and backing down is both fun and exhilarating. The instruments are hidden inside a pop up cabinet that houses the 25 KW Furuno Black Box radar, Furuno Plotter, Touch Screen Garmin 5212 plotter and GSD 26 3KW chirp sounder. All ship systems can be monitored by the touch screen computer system allowing you to keep an eye on everything. Just overhead you will notice 2 Icom VHF

radios and the Simrad Auto Pilot. Looking for a little excitement? Miss Ori is setup to fish with the best. She has 2 electric teaser reels concealed in the hardtop. Climb the tower to the heavens and you can see for miles. There are complete controls up there as well as speakers to enjoy your favorite tunes.

Cockpit

Miss Ori has 181 square feet of space including built-in seating and cool blowing AC. You have a large Release teak fighting chair with rocket launcher and more gunnel rod holders than you will know what to do with. There are built in drink boxes and a plumbed Eskimo 300 pound a day ice maker to make sure your catch stays fresh and your drinks stay cold. There are two 5' fish boxes and a live well built into the sole of this battle wagon with macerators for easy draining. The large overhang and comfortable seating will help keep the crew fresh and on their toes when the big one bites. On those super hot days crank up the AC that blows right on the seats and enjoy the view watching the perfectly presented baits skipping off the water thanks to her double outrigger setup.

Mechanical

Miss Ori is outfitted to be self-sufficient for extended periods of time. Her engine room is like everything else on the boat large and spacious making routine service efficient and easy. She features 2 Onan 27.5 KW generators that have just been serviced in 2017. A 300 pound a day Eskimo ice maker that has an endless supply of water thanks to the Sea Recovery water maker. The Caterpillar C-32A engines only have 2200 hours on them were just serviced in April of 2017 and had the heat exchangers and aftercoolers removed and serviced in June of 2015. Miss Ori is ready for her next big adventure and needs nothing.

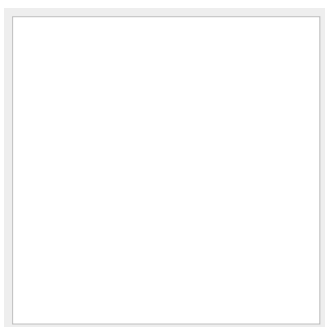

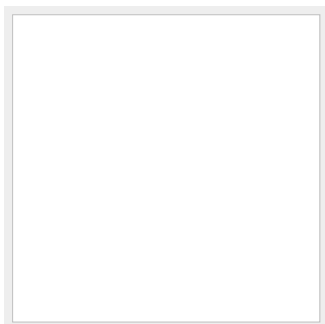

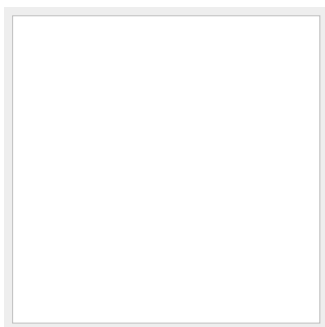

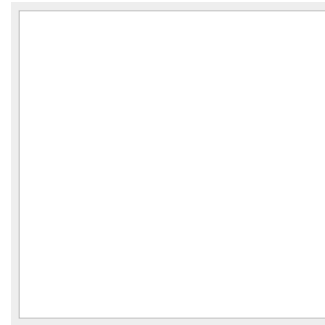

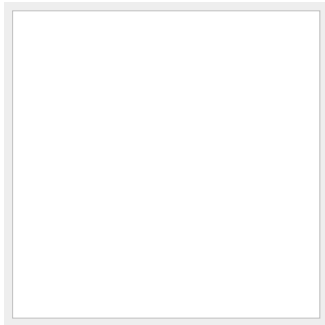

Exclusions

Owner's personal belongings.
