ХАРАКТЕРИСТИКИ

Обзор

This 2007 64 Viking is a prime example of a highly customized and well-equipped sportfish. She boasts a proud and desirable exterior profile with her custom grey painted hull, faux teak toe rail, covering boards, and stainless steel removable fairlead. The highly customized interior has undergone many updates including the custom upholstered dinette and carpeting, galley backsplash, and granite countertops. The 3 stateroom layout provides very large and accommodating quarters down below.

Since 2015 she has undergone an extensive list of updates, upgrades, and services to include a top end overhaul on her C-32s, electronics update, as well as countless other interior and exterior updates.

2015 REFIT UPDATES:

- CAT C32'S Complete top end overhaul
- Full Prime & Paint Job by Bluewater, NC yard to include custom gray paint and black mask
- Custom flat gray paint on underside of hardtop, platform and buggy top
- New Mia Epoch US - 9 teaser reels
- Tower and all metal (including showers) were stripped and Edison coated
- LED lights in the hardtop
- Faux Teak Toe Rail
- Faux Teak Transom
- Faux Teak Helm Pod
- New teak bridge ladder steps
- Release single lever controls w/ integrated bow thruster buttons
- Trillion Series Release Helm Chairs
- Release "no bolt" rod holders in the cockpit
- (3) Furuno 19" screens
- Fusion Stereo system
- JL audio speakers (exterior)
- Electronics received a full NMEA 2000 update with all new networking cables etc.
- FLIR camera rebuilt
- AIS system installed
- All domes were painted
- Bridge enclosure
- Cockpit cover (4 post shade)
- Exterior cushions in Buckskin Ultra-Leather
- LED lights interior upgrade completed
- Added new LED lights to lazarette and bilge
- Anchor locker was stripped and sprayed with Rhino-Liner

- A/C Pumps
- A/C manifolds (discharge & intake)
- Spot Zero system installed
- High Pressure Head and membranes installed for water-maker system
- All new wire bonding
- Control head for Ocean LED Underwater Lights
- Floats and Bilge Pumps throughout
- New Interior to include Carpet, runners, mattresses, and bedding
- All refrigeration pumps rebuilt
- Ice machine rebuilt
- Air compressor rebuilt
- New outrigger hardware

Disclosure

This vessel was in close proximity or directly impacted by lightning. Under an abundance of caution, any electronics or components that were affected by this specific event were replaced. The ECMs were replaced 600 hours before the top end overhaul in the summer of 2015 that was carried out by RingPower CAT.

Исключения

При продаже яхты исключаются личные вещи владельца.

Отказ от ответственности

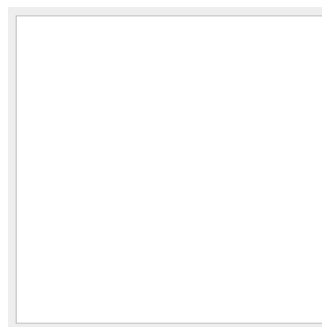

Компания предоставляет описание судна или яхты добросовестно, но не может гарантировать точность этой информации, а также не ручается за техническое состояние. Покупатель должен проинструктировать своих агентов или оценщиков исследовать представленную информацию более подробно, по собственному желанию. Продажа судна или яхты, изменение цены или снятие с продажи будет происходить без предварительного уведомления.
