SPECIFICATIONS

Overview

"Concrete Evidence" is a one-owner 2004 Rampage 38' that has been well-kept with low hours on her CAT 3126 450hp engines. The boat has a total of 504 operating hours (port engine) and only 41 hours on her replaced starboard engine. Although she was designed for serious offshore fishing, she is equally suitable for cruising with a plush and roomy interior. She is fully rigged for offshore fishing including a marlin tower with controls, Rupp outriggers, Nautical Design fighting chair, twin in-deck macerated fish boxes, bait freezers, raw and fresh water washdowns, rod holders, live bait well, and bait and tackle center. Original owner has had a change in plans, and is a serious seller. Please see "full specs" for more details on this excellent offering.

DETAILED INFORMATION

Interior Accommodations

Although primarily designed for serious offshore fishing, Rampage did an excellent job of incorporating a very cruiser-friendly interior. She has a large athwartship berth forward, a tremendous head with stall shower to port, a "U-Shaped" settee and dinette aft to port (converts to a second double berth), and functional galley aft to starboard. Other interior features include:

- Beautiful cherry wood interior
- Teak and holly cabin sole
- Removable carpet
- Hanging locker
- Drawer storage throughout
- Vacu-flush head system
- Princess single burner stove
- Sharp Convection Microwave
- Tundra refrigerator/freezer
- Stainless galley sink
- Solid surface countertops in galley and head
- Toshiba TV/DVD player
- Clarion stereo w/6 CD Player
- U-Line icemaker on helm deck
- Cruisair air conditioning system w/reverse cycle heat
- Three (3) overhead hatches and six (6) opening ports for ventilation
- Rod racks in salon area

Helm Deck / Electronics

The helm deck of the Rampage 38' was very well thought-out. There is ample seating for captain and crew, with a centerline helm that offers excellent visibility. There is a raised companion seat to starboard with storage beneath, and an "L-Shaped" lounge aft to port- the most forward section of which can be turned to face forward. There is a day hatch in the helm deck for quick checks, and the entire bridge deck lifts via electric rams to provide full engine room access. There is also additional gear/tackle storage aft of the starboard companion seat, and the U-Line icemaker is located beneath. Other features include:

- New three-sided enclosure (original aft section is included in sale)
- Large wrap-around windshield with wipers and electric vent
- Full compliment of electronics (see below for list)
- Lockable companionway to cabin

Electronics

"Concrete Evidence" is rigged with a full compliment of Simrad Electronics, including:
LOWER STATION:

- ICOM M402 VHF

Fishing Equipment

"Concrete Evidence" was rigged for serious offshore fishing, and includes the following:

- Rupp double-spreader outriggers
- Marlin tower with electronics and controls
- Nautical Design fighting chair (with cover)
- Two (2) large deck-mounted macerated fish boxes
- Transom live-well
- Tuna door
- Flush mounter rod holders
- Rocket launchers
- Bait Freezers
- Tackle center with sink and storage
- Electric reel outlets port and starboard
- Raw and fresh water washdowns

Additional Equipment

Other notable features include:

- 9kw diesel generator
- Maxwell windlass with remote and ground tackle
- Bennett trim tabs
- High and low idle settings
- Engine room fire suppression system
- Battery charger
- Glendinning cable master

- Engine synch
- High water bilge alarm
