SPECIFICATIONS

Overview

The Performer 32 is recognized for her aggressive low-profile appearance and strictly-business cockpit layout. She is built on a deep-V hull using some of the most advanced construction techniques in the business. The result is a rugged and sea worthy fishing platform that can pick up and GO! With optional 300hp, she will cruise at an honest 30 knots and reach 36-40 knots. The helm is superbly arranged with a full array of instruments set into a shaded dash with optional flush mounted electronics, plus an extra wide cushioned bolster/seat that will lock you comfortably in place. A good-looking boat that lives up to her ambitious name, the Performer 32' will appeal primarily to experienced anglers who have been around the block a few times.

Basic Information

Category: Sport Fisherman

Sub Category: Express
