SPECIFICATIONS

Overview

Just Reduced for a Quick Sale! Best 440 Sea Ray for under \$75k by far!

"Harbor Shark" is a nice example of the very popular 440 Sea Ray. She is powered with the much preferred 375hp CAT engines (standard gas or 300hp Cummins were not enough for this boat). She cruises effortlessly in the 22-23 knot range and can certainly host a party with a close to 14 foot beam. "Harbor Shark" has an open and bright interior arrangement with neutral colors, private master stateroom forward, large head with stall shower and a second sitting area aft that enlarges the salon but can be closed off at night with cove doors and converted to a guest stateroom with double berth and its own sink and vanity. With fresh canvas, bottom paint, detailing and engine service she is ready to be enjoyed and cruised!

Conveniently located in Baltimore's Inner Harbor, she is just minutes off of I-95 and only 20-25 minutes from Baltimore Washington International (BWI) airport.
