SPECIFICATIONS

Overview

Custom! Custom! Beautiful Custom! From her entire salon, galley, and dinette total refit to her fresh professionally applied Awlgrip paint job, this vessel is extremely special and is truly a "must see" for any potential 65' Hatteras buyer. 900 hours since engine overhauls. Generators with less than 250 hours. This is a 1988 65' Hatteras but easily mistaken for a much later model yacht. She has benefited from an extensive interior refit and a flawless exterior paint job in Dec. 2010. This yacht has seldom been fished and spent most of its time cruising at 15 kts. She is exquisite from stem to stern!

Basic Information

Category: Sport Fisherman

Sub Category: Convertible

Model Year: 1988

Year Built: 1988

Country: Bahamas

Fly Bridge: Yes

Model: 8V-396

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Walkthrough

The master stateroom is forward in the bow with a centerline queen and private head and shower to port. Aft to port is a twin berth stateroom with its own private head and shower. To starboard is the third stateroom, featuring cross-over berths. The utility room/pump room is accessed from a door in this stateroom. Aft, up the companionway stairs is a dinette with seating for 6 to starboard and a full custom galley to port. Further aft is the luxuriously appointed salon with a large L-shaped leather sofa and two swivel based occasional chairs, entertainment center and pop-up 43" LCD TV.

Salon

Enter the salon through a custom frameless full view salon door. You will find the salon elegantly decorated and completely refit with custom crafted cherry joinery, new headliner/lighting, huge custom L-shaped leather couch with storage, swivel occasional chairs. Overhead custom fluted cherry valences circulate air conditioning throughout the main level. The high end entertainment system begins with a Bose 48 sound system and hard drive CD storage. Multiple outboard amplifiers and a Niles audio channel selector pipe sound throughout interior, cockpit, and fore deck. A 43" Samsung Plasma television on motorized lift emerges from granite counters and comfortably viewable from entire salon. Custom lighting with dimmers

Dining

Thickly etched and backlit glass divider visually separates the salon and dining area, while adding a dramatic artistic focal point. The raised Dinette seating is covered in butter soft ultra-leather and the granite dining table sits on beautiful, custom fluted cherry pedestals. A Scottsman wet cube icemaker and refreshment cabinet can be found in this area as well.

Galley

The refit Galley is absolutely incredible with more than ample storage. Top of the line amenities include four Sub-Zero refrigerator drawers, two Sub-Zero freezer drawers, four burner cooktop, microwave/convection oven, and dishwasher. Custom pull-out china cabinet, steam bent curved cabinet doors have been built in to accommodate additional storage. Granite counters and a deep under mount sink round out this dream galley.

Master Stateroom

Redecorated and updated master stateroom features a centerline queen, large hanging locker, ample storage drawers. The entertainment center includes a flat screen television with surround sound. Owners will appreciate the ensuite head with large Jacuzzi tub, upgraded fixtures, freshwater flush Galleymaid head, and teak and holly sole.

Guest Stateroom Port

This tastefully decorated stateroom incorporates a unique bed arrangement. A track and roller system allows quick conversion from queen bed to a twin arrangement as needed. A flat screen television provides entertainment. There is also a full length hanging locker, storage drawers. The head is ensuite, large shower with seat, freshwater flush Galleymaid head, and teak and holly sole.

Guest Stateroom Starboard

The starboard stateroom features cross-over berths and its own private head with shower stall. It has a 13" flat screen TV. A door in this stateroom permits access to the pump room.

Electronics

Inside the newly appointed enclosed flybridge are (2) Garmin 8622 wide screen HD 22" color displays, GSD 25 sounder Module "Chirp", Simrad AP-25 Autopilot, AIS 600 Module Class B, Garmin GXM52 Weather Sensor, Furuno Nav Net VX-2 Radar and back up GPS C-Map System, Integrated Sirius Satellite weather and stereo into the Garmin system, VHF Radio, Bow Thruster, Garmin Engine Camera, Garmin Cockpit Camera. All systems NMEA 2000 Back bone and installed 2016

Electrical Equipment

12V, and 24V DC electrical systems. Two fresh gensets, (one Kohler 20 and one Onan 21 kw), with less than 250 hours of operation. Automatic 40 amp battery charger. Two 50 amp/120 volt shore cords with cockpit inlets port and starboard. Battery parallel switch

Mechanical

The engine room is well maintained. Besides the two massive 8V396 MTU engines there

are twin 20KW Gensets. The oil change system has a 30 gallon reservoir. A custom fan driven exhaust system keeps the engine room comfortable. Complete engine gauges are installed here. Halon system. Start/Stop switches and battery parallel switches are another convenient item located in the engine room. Bow pulpit with windlass. Davit on bow, 1500lb capacity

Fly Bridge

The comfort of this enclosed bridge model is incredible. From custom "Crowne International" helm and companion seats to total refitted guest seating, this area shows as new. Refrigerator adjacent to helm. There is a full array of electronics, gauges, engine controls etc. Besides the enclosed flybridge there is of course the aft control station with complete clutch and throttle controls and bow thruster control. This vessel also is equipped with a full Tuna Tower. A Furuno, FCV-585 Color Video has been installed at the aft helm station in a custom, glassed in enclosure.

Cockpit

This 183 sq. ft. of massive cockpit is handsomely adorned with a custom teak deck and custom teak covering boards just redone in July of 2016. The salon entry steps and flybridge ladder steps are also teak. This is truly one of the most well-appointed cockpits ever. There is an over sided transom fish box and additional fish box under the cockpit sole. The cockpit cabinetry house a front opening refrigerator and freezer, Eskimo Ice Maker, tackle storage, engine room entry, Jenn-Air grill. There is a custom removable sunshade that allows most of the cockpit to be covered and a cockpit flycover to protect all of the luxurious teak surfaces. Custom swim platform.
