DETAILED INFORMATION

Vessel Walk Through OR Overview

Designed to be the ultimate in cruising luxury and performance, the Cruisers 5000 Sedan Sport has three staterooms, three deck levels, a unique indoor stairway to the bridge deck, and deluxe appointments.

The 5000's well-designed bridge features a fully equipped wet bar with an optional refrigerator and ice maker, a stereo, a wrap-around settee for guests and crew, a triple-wide helm seat, and plenty of room to move around comfortably.

Also available for the 5000 is an extended swim platform with hydraulic lift- perfect for bringing along extra toys on the big cruise.

The 5000's elegant salon incorporates a well-appointed galley with an ergonomically designed lower helm station, a convertible, crescent-shaped dinette-sofa, a double incliner sofa and sweeping 360 -degree views into its wide-open, airy living space.

The ultra modern full service galley includes a full-size refrigerator (new in 2016) and freezer with ice maker, a microwave-convection oven, a three burner stove, an optional coffee maker, plenty of counter and storage space and elegant wood flooring.

Located amidships to port, the deluxe master stateroom boasts a large island berth with inner-spring mattress, ample locker storage for live-aboard cruising and private access to the port-side main head.

The main head features a large vanity and sink, generous storage, and a separate showering area with full standing headroom. The roomy starboard-side head, also accessible from the forward stateroom, includes a stand-up shower stall with seat. That forward stateroom offers a large island berth with inner-spring mattress, lots of storage, and luxurious comfort. In addition, comfortable twin berths in the midships stateroom can be easily converted to a king-size bed with a self-storing filler cushion; this cabin also serves as a laundry room with dual washer and dryer combo units.
