SPECIFICATIONS

Overview

We are delighted to be appointed worldwide Central Agents for the sale of this custom motor yacht DYNASTY built by York Bros Trading and York Bros Marine at Swann Bay, New South Wales. DYNASTY was originally launched in 2000 with a major propulsion upgrade and service in 2009 and then a major repaint and mechanical service in 2016 making the vessel ready for whatever cruising plans a new owner may have. York Bros were respected builders of heavy duty trawlers before building motor yachts such as MUSTIQUE and DYNASTY in Lloyds 100 A1 Class and with the same excellent sea keeping qualities demanded by the fishing industry. DYNASTY features a hand crafted and tastefully decorated teak interior, all staterooms have ensuite facilities and air conditioning. The galley is modern and well equipped, the main saloon is very comfortable as are all areas of this desirable motor yacht. DYNASTY will suit buyers looking for an attractive, professionally built vessel that is capable of economical and comfortable long-range family cruising as well as corporate entertaining. Her fishing cockpit is a great feature and allows for easy boarding of tenders and water access for divers. DYNASTY had new paint last year and has always enjoyed the highest standard of maintenance by her current owner, she awaits your inspection!
