SPECIFICATIONS

Overview

This Regal 4460 is without a doubt the nicest example of a large style cruising vessel. "Sea Buddy" has enjoyed exceptional care and maintenance. Kept under cover and has had excellent service, this yacht will give you years of carefree cruising. The modern European styling, posh accommodations and spirited performance makes the 4460 a well sought after vessel and a great bargain.

Below deck you will find a wide-open salon with leather seating, home-sized galley with hardwood flooring, two private staterooms with two heads.

Upper deck features a circular lounge with table. Fully enclosed air conditioned helm with hardtop for protection from the elements.

The Volvo Diesel IPS500 pod drive system makes docking a breeze and quite. No fumes with all engine cooling water and exhaust ported out the pods underwater. Docking with the JOYSTICK could not be easier.

This is a boat that won't last long. Don't let it get away. Call today for a showing.
