Overview

The Carver 360 Sport Sedan is wonderfully versatile. Whether cruising, fishing or diving, this sporty yacht will make anything more fun. Its attractive contemporary styling and signature two-tiered windows for extra light and style, make it one of the most appealing vessels in its class. The spacious bridge with generous seating also includes a captain's chair and ergonomically designed dash. The large cockpit is the perfect size for all kinds of on-water activities. The cabin features a unique raised dinette / lounge with UltraLeather seating. Rich, cherry wood cabinetry with high-gloss finish adds warmth and beauty to the space. Sleeping accommodations include two staterooms.

So what else is special?

- New extended bimini in 2014.
- New vinyl upholstery on flybridge in 2014.
- 8 dive tank brackets in the cockpit, which fold down when not in use.
- This boat looks like it has never been used. Not a single scratch anywhere on the cherry cabinets and table.

What can be better?

- I would suggest replacing the old CRT TVs with a couple of flat screen TVs ~\$500.
- Also, a newer Chartplotter would be nice. Radar would be icing on the cake. That's it!

This is a clean, turnkey boat, ready for extended cruising in comfort.
