SPECIFICATIONS

Overview

The Dyna 60 Hardtop is flybridge motor yacht with timeless beauty in everything from the hull to the smartly appointed interior, the 60 will stand out in every port with style and grace. The Dyna 60 boasts a luxurious three-stateroom layout, plus crew quarters that can be used as an additional guest cabin if needed. The design is elegant and contemporary and the full beam master offers a high level of comfort and relaxing vistas through beautifully styled hull windows. The two additional guest staterooms are luxuriously appointed as well. The 60 is powered by twin MAN R6-800hp providing a top speed of 25 knots. Standard equipment includes a teak aft deck, hydraulic swim platform, underwater lights, bow and stern thruster and more. Additionally included is a full complement of Garmin electronics with touch screen capabilities. Distinctively Dyna is the spirit embodied in every yacht built by Dyna Craft, yachts ranging from 51'- 105'. Each and every Dyna Yacht is designed and built by a team of passionate master craftsmen with the relentless pursuit to create luxurious, reliable, and most importantly, the most enjoyable yachts in the world. Trust, integrity and honesty are key tenets for the Dyna business, to ensure clients have confidence in dealing with the brand. An example of this commitment is the fact that Dyna owns all of the property, factories and facilities, and has been in business since 1986, over 29 years.
