SPECIFICATIONS

Overview

If you are Cat curious and looking for an easy way to learn the joys of sailing fast and flat, anchoring in knee deep water, and having lots of space to do it in; you should consider this sweet little Gemini...

John Boy shows much newer than its age, the decks and hull have been repainted and the interior completely refinished. No Gemini gelcoat cracks anywhere! It has a new Yamaha 4 stroke engine, solar panels, Air-conditioning, and new rudders.

John Boy is in sail away condition for an amazingly affordable price!

John Boy Layout and Accommodations

From the spacious shaded cockpit with the protected helm station, you enter through a freshly varnished swinging door into the conditioned bridgedeck cabin. As you enter there is a cushioned seat to port and the nav center to starboard. Under the nav station is the Waeco front opening 12v fridge. Forward is the big u shaped settee with new cushions and custom table.

Sliding openings on the forward bulkhead allow for ventilation though the forward stateroom if desired.

The starboard hull features a twin guest cabin aft, and the owner's stateroom forward with the big double berth that spans the bridge deck. The forward window in this cabin allows for plenty of light and great views from the berth. In the center of this hull is the in-line galley with 2 burner stove and oven, stainless steel sink with pressure water, and plenty of counter space and storage.

In the port hull there is another guest cabin aft and the full size head with shower is forward. The companionway features a freshly varnished counter and storage lockers on both sides.

Overall John Boy is as well cared for and clean example of this classically affordable design as you will find.

Additional Equipment

Ground Tackle: 40# Mantus anchor and bridle with Mantus chain hook on custom bow roller.

New Rudders 2017

New Batteries 2016

Bottom paint November 2016

New 40hp Yamaha 4-stroke with power tilt and trim 2015.
