DON'T MISS THIS OPPORTUNITY !

SERIOUS BLUE WATER WORLD TRAVELER

COMPLETE RE-BUILD IN 1991 TREWORG YACHTS INC

Combahee is a ultra sea worthy Long Range Trawler designed by the renowned Naval Architect Steve Seaton and built by SUTTON in 1969. She enjoyed a complete re-manufacture at the famous Treworgy yard in 1991 and shows in very sound condition. She is a classic raised pilot house sedan design with walk around side decks, high bow and a beautifully finished traditional interior. Her sparkling white paint is in excellent condition and Combahee will turn heads in any port. A good looking boat that will strike the fancy of anyone who has dreamed of those far off harbors.

She is powered by a single 671N Gray Marine conversion GM diesel with low hours and has well over 3000 mile range. Outfitted to be self sustaining in the most remote areas, Combahee is the perfect adventure vessel and as capable as any of the much more expensive expedition yachts on the market today.

Read on for a list of features that make up this exceptional vessel. Features like an air conditioned engine room, complete workshop, Capac electrolysis prevention, watermaker, inverter and more.

DYSID: 3101220

ENGINE

Engine:

- Total Power: 175 HP
- Engine Brand: Detroit Diesel
- Engine Type: Gray Marine Inboard, In-line 6 cylinder, Fresh water cooled
- Injection System: Common Rail

- Engine Model: 64HN9
- Major Overhaul: 2000
- Engine Hours: 1819
- Transmission: Twin Disc
- Transmission Model: MG506
- Gear Ratio: 1:1.2
- Propeller Shafts: Stainless steel
- Propeller: Bronze Alloy 30"x36"

ELECTRICAL SYSTEMS

Electrical Systems:

- CAPAC ELECTROLYSIS PROTECTION
- Voltage: 12 Volt System:
- Primary Batteries: 8D Lead acid batteries (2) in engine room – service main engine/generator
- Secondary Batteries: 6VDC Lead acid in engine room – service house electrical
- Battery tester: Switched analog gauge
- Battery charger: Balmor Deep Cycle Super Charger Model DC980
- A.C. Electrical Systems:
- Voltage System: 50 Amp – 120/240 Volt, Shore Power

- Shore Power Cords: One 50 amp

- Distribution Panel: Stand alone in main salon

- Other: Charles Isolation Transformer
- INVERTER:
 - Type: D.C. TO A.C. Inverter
 - Manufacturer: Heart Interface Freedom 25

Generator:

- Manufacturer/Location: Westerbeke in Engine room
- Type and size: Diesel powered, four cylinders
- Kilowatt/Voltage Rating: 12.5 KW, 120/240 Volts AC
- Hours: 380

ADDITIONAL INFORMATION

Miscellaneous Equipment:

- Dinghy/Tender Manufacturer: Boat U.S. With Mercury 9.5 HP motor

- Type: Inflatable with FRP Hard Bottom
- Length: 9' 5"
- Fishing Gear: 4 rod holders at transom
- Tow Line: Custom towline used to tow 17' Center Console (boat not included)
- Mooring Ball Harness: Custom tie-up for Mooring fields
- Clock/Barometer: Weems & Plath

PILOT HOUSE

Raised pilot house is well laid out with a watch berth and plenty of storage. Aft and port of the helm chair is the nav station. Aft of the station and helm is a large watch berth.

There are port and starboard dutch doors opening to the side decks with steps up to the flybridge and to the foredeck.

FLYBRIDGE
