2010 78' Princess Sport Cruiser "CHANGE ORDER"

The "Change Order" is a stunning example of the V78 Princess. Her impressive 4 stateroom layout plus crew quarters provides an abundant amount of space. This vessel's impressive upgrades set her apart from the rest. In 2015 the current owner installed wireless yacht controller allowing joystick style, dual hydraulic bow and stern thrusters, new audio/visual systems (\$50,000), and all new exterior soft goods with premium leather on the interior helm seats. This yacht just splashed from the boat yard in June where she received a fresh exterior barrier coat bottom job. Topping out at 37 knots, she is sleek and fast with a custom dark blue hull, sides painted in December 2017. She is sure to turn heads!
