Accommodations

Total Cabins: 1

Total Berths: 4

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Modified V-Hull

Engine Information

Engines: 2

Manufacturer: Yanmar

Fuel Type: Diesel

DETAILED INFORMATION

Features

REMARKS

ORIENTE is a very nice example of this cleverly designed Sabreline model. Offering tremendous space and economical operational costs, this is a wonderful boat for cruising trips to the Keys and Bahamas or just a leisurely day of enjoying the local waters. Her spacious and practical cockpit is ideal for all sorts of water related activities from swimming & diving to fishing or cocktailing with friends at the dock.

ORIENTE represents a wonderful value and a tremendous amount of boat for the dollar. Make arrangements to inspect her today. You'll be happy you did.

WALK THRU

ORIENTE has a deceptive amount of both interior and exterior volume for her compact 34' length.

Built by the quality oriented American builder, Sabreline, she features a spacious and practical flush deck cockpit area aft with access to the swim platform through the built-in transom gate.

Moving forward through the full height sliding door into the salon, the settee and dinette seating are more than ample for lounging and entertaining. The lower helm forward to starboard and the U shaped galley to port complete this area.

The cherry cabinetry and decks lend to the feel of high quality construction detail.

Continuing forward and down a short staircase is the private head to port with a separate stall shower, sink and Vacu-Flush head. A private entrance door to the master stateroom as well as a second door to the companionway provides for flexible access for both owners and guests.

Opposite to starboard is a large storage closet and all the way forward is the private master stateroom with its centerline island berth and under bed stowage. A hanging locker to starboard and Samsung flatscreen TV rounds out the stateroom accommodations.

Finally, the large flybridge is accessed by ladder from the cockpit and features a forward helm, Pompanette helm and companion chairs, and a bench seat with storage all the way aft. A nice Bimini top keeps the sun off and the fully instrumented upper station offers the ideal location for fair weather navigation.

COCKPIT FEATURES

Transom door access from swim platform Three floor lockers – starboard side storage, huge center-line locker for assorted boat gear and port side locker Flag staff Bimini top with navy canvas Ladder access to Flybridge Glass slider to main salon
